The Art Room Needs SHOEBOXES!

This is a follow up/friendly reminder for 2nd grade parents...

Please send a shoebox (or other similarly sized box), with your child's name on it, to the art room by March 29.

Each student will need at least one shoebox.

They will create a miniature 3-D sculpture/assemblage art in their shoe boxes inspired by an American sculptor Louise Nevelson. In addition, small "trash-to-treasure" items can be dropped off to school or your child can bring them to the art room. Examples include: Bottle caps, Old CD/DVD's, Orange pill bottles, broken jewelry (chains, rings), small plastic toy/LEGO pieces, buttons, bolts, screws, etc.

Thank you for your support!

Mrs. Kaya, MDE Art Specialist

Spring is a busy time in the library!

We have enjoyed auction parties, new great titles
AND lots of coding.

- Students in grades 2-5 have had the opportunity to **come into the library before school** to try out all the coding tools we have available. Students have really done a great job testing their computational thinking skills!
- We are always excited to support our love of reading! To keep things going this summer, MDE will be hosting its **1st ever BOOK SWAP** the week of May 6th. Be on the lookout for ways to participate so you can pick out new books for the summer!
- Also for the summer, Mrs. Veenhuyzen will be offering the opportunity for families to check out up to **FIFTY books to keep until August**, we will be hosting events at libraries throughout the district AND we will continue our campus summer reading log tradition. Details coming soon!
- Finally, Pre-K through 2nd grade will have one more author visit on May 9th! **We are very excited to host Robin Preiss Glasser. She is the illustrator of the Fancy Nancy series!**
