

Your child can be an artist, explorer, farmer or culinary genius at Flanders, where learning is fun!

Mix and match morning and afternoon programs to create a memorable summer experience for your child.

So much more than a traditional "day camp!"

Our 200 acre campus is the perfect place for children to explore and connect to the great outdoors. Children are surrounded by the wonder of nature as they discover for themselves the diversity of life in the forest, pond, farm or meadows. These observations and hands-on experiences create a foundation of environmental awareness in a fun and exciting way.

ENTHUSIASTIC EDUCATORS

Our award-winning and talented staff of educators are experienced in providing age appropriate activities and programs that stimulate young minds. All hold CPR and First Aid certificates to make a day of Flanders fun and safe for your child.

MEMBER DISCOUNTS

Member families receive a discount on our program fees. To take advantage of the savings, you must hold, establish or renew a family membership (\$65) before or during registration. Members enjoy discounts and special events all year.

About Our Summer Programs

GREAT SPACES, GREAT PROGRAMS—FOR ALL AGES!

Flanders has programs for children ages 3 to 13. This year we have arranged our offerings by week, so please note each program type below and then navigate by icon on the following pages. Programs at Flanders run from 9AM–1PM or 1PM–5PM. Before and after care options are also available. See sidebar at the bottom of opposite page.

Little Explorers

Your young campers will be amazed as they learn about all the creatures that share our world. Hands on activities engage and entertain children as they discover insects, birds, amphibians, reptiles, fish and mammals. We build a foundation of environmental awareness and care during early years that can last a lifetime.
