Dear Parents,

We are excited to begin another season of “Summer in the City!” Plans are in the works to organize a variety of trips and activities so that each experience of “Summer in the City” is unique.

The children will be divided into groups based on their grade level. Children entering Kindergarten through children entering Second Grade will be in one camp led by Constance Schaefer, First Grade Teacher. Children entering Third Grade through children entering Fifth Grade will be in the other camp led by Amy Meyers, Learning Specialist.

“Summer in the City” is only available for students attending BWL. Through this camp based program, your child(ren) will have the opportunity to explore New York City with BWL teachers while enjoying friendships.

Attached please find an enrollment form. Please fill out the requested information and return the form and payment to your child’s homeroom teacher in an envelope marked Summer in the City and to the attention of Constance Schaefer. Children will not be registered until payment is received in full. You will receive an email confirming receipt of enrollment within the week. Please note that camp forms can also be found on the BWL website.

Camp is offered to all BWL students entering Grades K-5. Due to limited enrollment capacity, we cannot accommodate siblings not attending BWL. **Please be aware that refunds are not possible after May 31, 2019**

We look forward to an exciting and fun-filled program. If you have any questions please email us at:
