

Parent Required Notifications

www.palos118.org (under quicklinks)

Palos 118 must give parents annual information regarding a number of topics that are located on the left side of the [Parent Notification list](#) with links for parents to call up information. In addition, on the district website you will find links to the Board of education policies, student discipline expectations, and each school's information portion of its assignment notebook.

The information contained here is not exhaustive and may be updated without notice. In the event that you do not have computer/internet access or cannot find the information you are seeking please call your school office.
