

## COPY MACHINE LEASES AND MAINTENANCE

## CLARIFICATION 3

Clarification #	Question	Response
3.01	On page 24 of this RFP under "e. Technical Proposal" it specifies "No longer than eight (9) double-sided 8 1/2 " X 11" pages." Does this mean that this section can be only 8 pages or 16 pages total?	Please refer to Addendum 1.04.
3.02	RFP 2.06- What is the total number of users are we going to track using the 76 (+2 MFD) & printers; 3k or 26k?	Please refer to Addendum 1.01. For Printer Management software, District has 1,006 network printers in production currently and 3,000 staff plus 23,000 students who can print to them.
3.03	RFP 2.06 Option 4- Other than the Administration & School-Based Convenience MFDs and printers, are we going to track prints, copies, and scans in the Graphics Center Digital Copiers?	No.
3.04	RFP 2.06 Option 1- If any, what type of ID Card authentication do you have?	We do not have a current authentication solution.
3.05	RFP 2.06 Option 1- If any, what type of Follow Me/Card Authentication solution (software and version) do you currently use?	We do not have a current authentication solution.
3.06	RFP 2.06 Option 1- How many end users will be using the Follow Me/Card Authentication solution?	Please refer to Addendum 1.01. For HID card logins, District requires approximately 1500 licenses initially (about 1300 staff with HID cards district wide plus extras for each site to use for PTSA, ASB and similar groups).

3.07	RFP 2.06 Option 4- How many servers are we installing the papercut software on? Just 1 central print management server located on the main campus or 1 per location?	Please refer to Addendum 2.13.
