How it works: To include your student's name in the directory, complete the form below and return it with your child or drop it off at the office. You do not need to be a member of the PTA to have your child(ren)'s information included in the directory. Directories will be available in November. Each Jefferson family will receive one free directory. Questions? Contact Phyllis Baxter, phyllisabaxter@gmail.com or 205-5848.
