Rankin County School District grants equal educational opportunities to all students regardless of race, creed, color, sex, national origin, marital status, religion, or disability.

Permission for Publication of Student Photographs, Work, and Information

I understand that from time-to-time the school or the Rankin County School District (RCSD) may wish to publish student names, photographs, vocal and video recordings, projects, and/or other student work in electronic (radio and TV), print (newspapers, magazines), digital or electronic publishing via the Internet/websites, including school and RCSD websites, and other media outlets for the purpose of gaining positive publicity for the RCSD.

The primary purpose of directory information is to allow the School or School District to include information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for football, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. We are committed to the security of all student and or staff data and take every measure to safeguard that information. Please let us know what you would like for us to do in regards to your child.

YES, I give permission to have my child's work/project, name, personal information, vocal and video recordings, and photograph submitted to the media and posted on the Internet or on the District website for the purpose of gaining positive publicity for the school or school district.

NO, I would prefer that my child's work/project, name, personal information, vocal and video recordings, and photograph not be submitted to any media nor posted on the Internet or on the District website for the purpose of gaining positive publicity for the school or school district.
