

NEW LEBANON ELEMENTARY SCHOOL BUILDING COMMITTEE

Community Update – April 2019

About the School Building Project

This intra-district elementary International Baccalaureate magnet school will serve students in grades PreK-5. The centrally located learning commons, equipped with flexible furnishings & adaptable technological infrastructure, allows for multiple zones of simultaneous learning. The building is designed to meet the sustainability goals established by the Educational Specifications and to achieve a gold-level LEED rating from US Green Building Council.

- Punch List and remaining items to be completed is ongoing
- Library furniture was delivered, and old shelving was removed
- The Salvage Sale of the remaining items to both the district and public has been completed.
 - Most items were repurposed throughout town.
- The temporary gravel parking lot will be completed

Work anticipated for the coming weeks:

- Punchlist work will be scheduled after school hours or on Saturdays as well as April vacation
- Fencing will begin April 1 around the old building in preparation for the Demolition.
- The Hazardous Abatement will begin April 1.
- Demolition will begin after abatement is complete.

The project has received its 4th reimbursement from the state, \$3,495,815, totaling \$15,738,167 to date.

A 5th reimbursement has been requested in the amount of \$2,932,368, due in May.

If you have a concern, please contact the Gilbane Project Manager, Daniel Phillips at (914) 246-4862.
