Exit Process

The exit process from the program involves the teacher, student, parents, the certificated coordinator and/or administrator with responsibility for the supervision of the District's highly capable program.

Parents may remove their students from the program by contacting their student's teacher, the certificated coordinator or administrator with responsibility for the supervision of the District's highly capable program.

All placements in the program are provisional and may undergo periodic review including assessment data, test scores, etc. to ensure that each student is demonstrating consistent academic progress. Should the determination be made that a student is not demonstrating consistent academic progress; a conference to discuss alternatives will be scheduled with parents, teacher, and the certificated coordinator or administrator with responsibility for the supervision of the District's highly capable program. This may result in a change of placement.
