Our Learning

- Religion – We will continue learning about the Sacraments at the Service of Communion.
- Reading – We will learn about and get hands on practice with the various literary elements.
- English – We will wrap up our chapter about capitalization & punctuation.
- Social Studies – We will begin our studies of Australia and the Pacific.
- Math (Jones) – The students will continue working with decimals.
- Science – The students will be learning about adaptations.

Field Trip

Students are to wear their regular school uniforms (not their P.E. uniforms) for the field trip on Tuesday. They may wear their P.E. uniforms if they wish on Monday, although we will not be having P.E. We plan to leave at 8:15. ☺

Little Notes

**On Monday, the students will take the ACRE Test. This is not a test, rather an assessment students in grades 5 and 8 take that helps us evaluate our religion curriculum. There is no preparation needed for this and no need for students to be nervous.

**Spring fever has hit. Please remind your child to always put forward their best effort in everything they do and act in a manner most pleasing to God.
