

**Charter
Multi-Purpose Athletic Center (MAC)
June – December, 2017**

Purpose: Discuss the process we will follow to complete the design of new athletic facilities for each high school that were included in the Bond that passed on May 6, 2017.

Huckabee will present the program of spaces that was approved for use to determine the budget for the project.

Responsibilities of the Committee

Projects: Design 1 Multi-Purpose Athletic Center (MAC – will be the prototype for each HS)

- *The project will be located on one of the existing practice fields on each campus.*

Design Covered Batting Cages (will be prototype for each HS)

- *Baseball and Softball cages, and storage for pitching machines and equipment under a PEMB cover w/ metal roof and masonry columns.*
- Develop a plan for the redistribution &/or repurposing of existing athletic facilities to be vacated at occupancy of the MAC.

The Multi-Purpose Athletic Center Committee is an Ad hoc committee. The committee has met:

June 12, 2017
July 20, 2017
September 15, 2017
September 30, 2017
December 11, 2017

This committee has the authority to advise only.
