

Charter

Name of Committee: Post-Secondary Opportunities for Students

Date: August 2, 2018

Purpose

The purpose of this committee is to develop tools that will strategically assist students with their College and Career choices.

Responsibilities of the Committee

The standing committee will review current systems for tracking college and career choices and make recommendations to district leadership concerning the creation of measures to assist students with College and Career choices. The committee's work will center around the work of the Vision 2025 Student Scorecard.

Joshua Garcia, Executive Director for Instructional Support will chair the committee.

Katrina Mabry- Smith, AVID Coordinator, will serve as secretary.
