

1: At the website <http://www.nhcs.net/cert> click to Download the [Certificate](#).

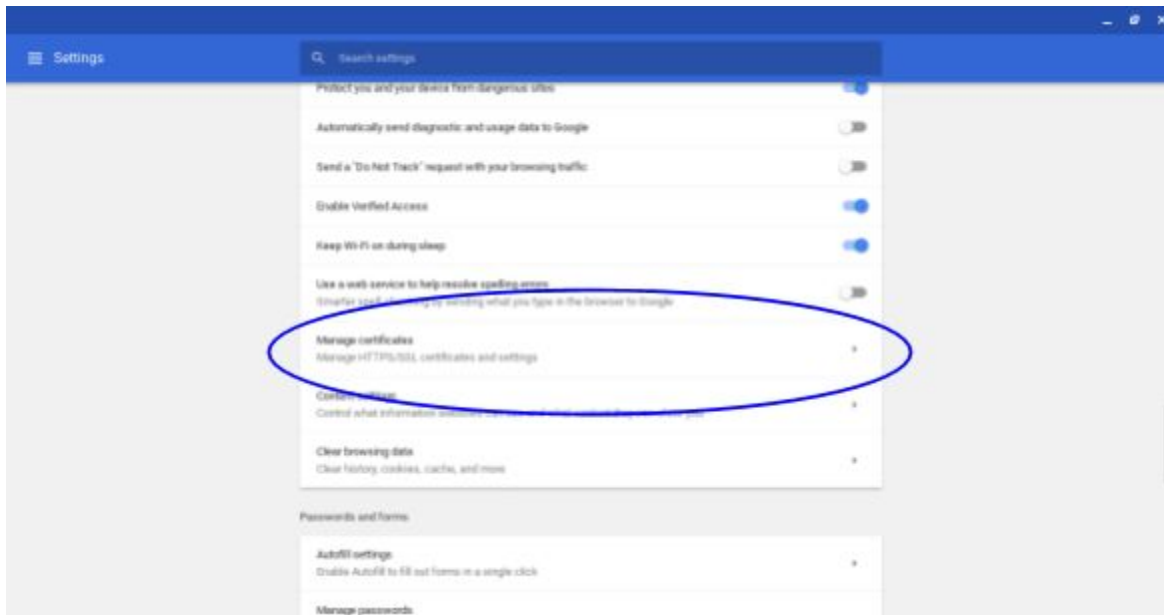

2: With your Chrome browser open select the 3 dots in the top right corner and then select **Settings**.

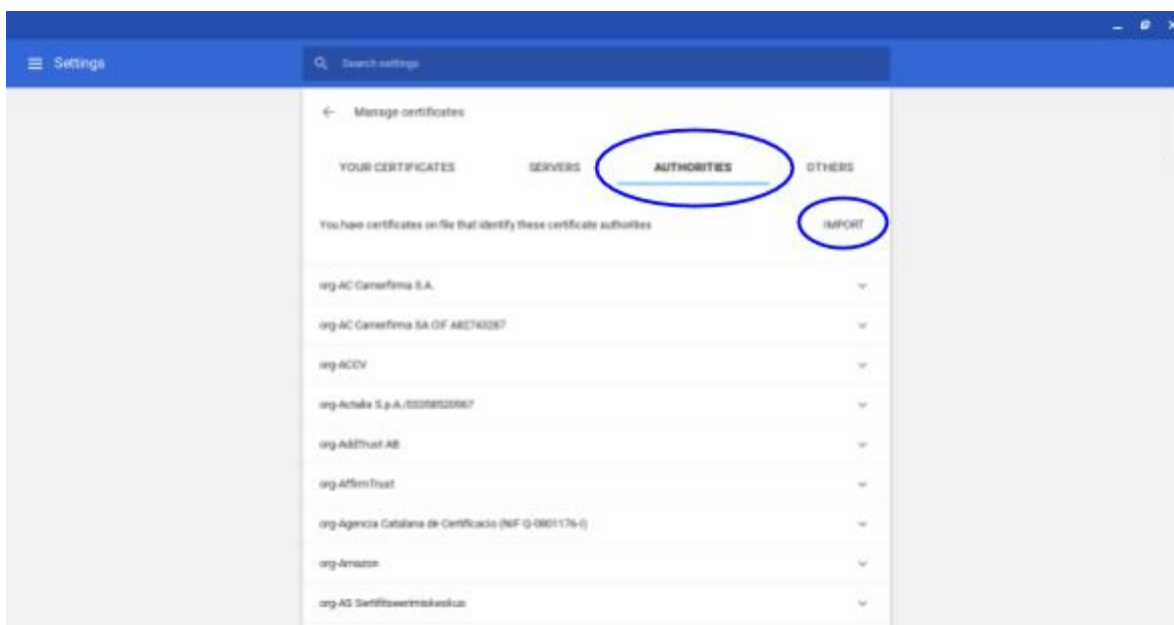

3: When the settings window opens scroll to the bottom and select **Advanced**.

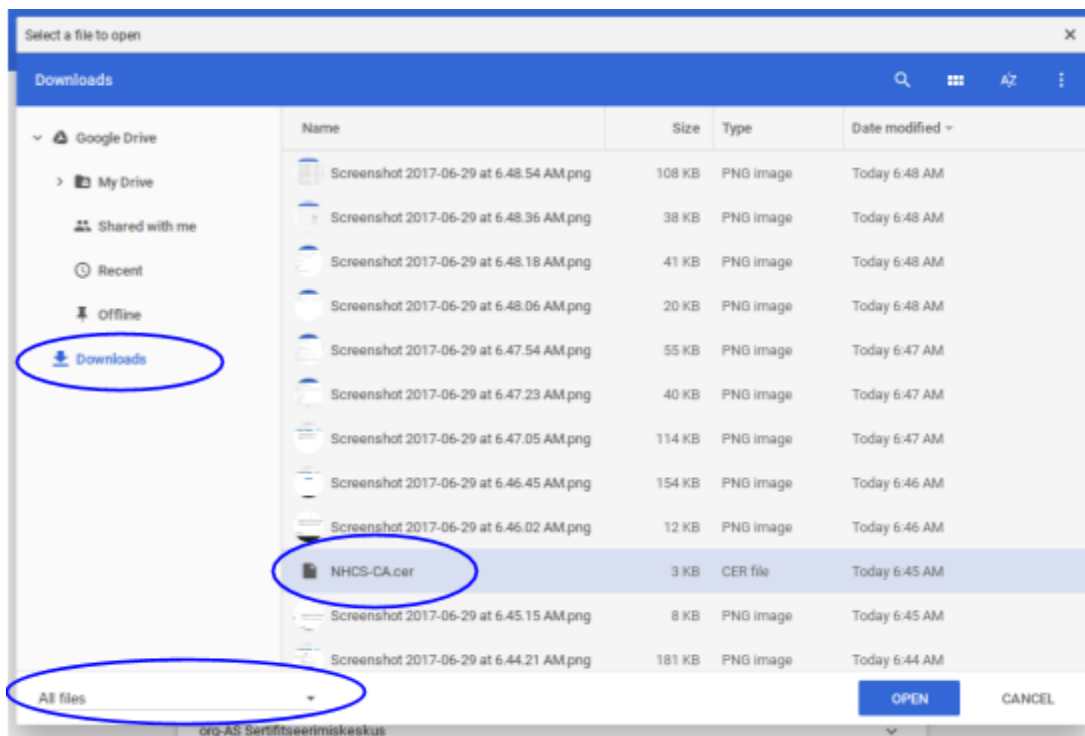

4: Select **Manage Certificates**

5: Select the **Authorities** tab and then **Import**

6: A new window will open, select the **Downloads** folder on the left, then select **All Files**. Select the **NHCS-CA.cer** file and then click **Open**

7: Check all three boxes then select **OK**.

The Certificate install is complete, no further action is required.
