#### **Use of School Facilities**

##### **School Grounds and Motorized Vehicles**

Yards at all schools shall, whenever possible, remain open and available for play and informal recreation during daylight hours.

Use of school grounds for unauthorized purposes by motorized vehicles such as motorcycles, motorbikes, minibikes, go-carts and snowmobiles is forbidden. Use of school grounds for unmotorized forms of transportation such as skateboards, rollerblades, etc. is forbidden.

Playgrounds and playground equipment are available to the community from sunrise to sunset, when not in use by the school district. The use of these facilities does not require a permit, but such use is at the risk of the user. Any one misusing the equipment or causing risk of injury to self or others may be referred to the local law enforcement agency.
