

Growing Great Minds-April Assets School News

Major Donor Wall: Mahalo Nui Loa

The Harry & Jeanette Weinberg K-4 Village Major Donor Wall was installed over spring break, and we can't get over how perfectly it integrates into the design space and the generosity of our donors who made it possible!

Our youngest learners are grateful to have such a beautiful area in which to learn, and without each and every one of our supportive donors, it would not have been possible. Mahalo nui loa to everyone who made the K-4 Village a reality.

Stay tuned for upcoming news on the next phase of our campus transformation!

Join Today: Great Minds Society

Become a [founding member today!](#) At Assets, we believe that great minds don't think or learn alike. Our individualized program and emotional support create resilient children who become lifelong learners. The Great Minds Society honors individuals who seek to shape and support the future of Assets School by **designating a provision of any size** in their will or estate plan.

Founding members of the Great Minds Society will be recognized* with a special honor at events, listed in our Annual Report, and receive a gift. For more information, or to share with us that you've already included Assets School in your estate plans, please contact [Lynne Wooddell](#), Executive Director of Capital Campaign and Planned Gifts.

Registration Open: Summer Programs

Summer will be here before we know it. Do you have a plan? We have options!

K-8 Programs include:

- [Ke Kula Pa`ani Summer Camp](#): offers a variety of engaging activities such as sports, games, art, hands-on projects, guest entertainment, weekly outings, water play, and more. Each week consists of one cultural, two sport, and two craft activities.
- [Academic Summer School](#): includes an integrated curriculum, much like our regular school program.
- [Summer Academies](#): art, music, or performing arts. You choose!
- [Camp Invention®](#) is a nationally acclaimed summer program where STEM concepts come to life. Led by Assets School teachers, this program taps into kids' natural curiosity, giving them the opportunity to become innovators through teamwork and immersive, hands-on creative problem solving.

High School:

Our 2019 [High School Summer Program](#) is particularly helpful for our incoming freshmen and students new to Assets High School. Students are encouraged to attend both sessions to get the most out of their summer programming. Returning students would benefit from this experience as well and are welcome to enroll.

Please click the links above for details and to register for our summer school sessions.
