

Ella Ginsburg
2020

My name is Ella Ginsburg and I am a current class officer for the class of 2020, and I hope to be re elected for next year. For the past three years at our school, I have grown more and more each time with this position, and if re elected, I know that this progression will continue. This leadership opportunity requires a large amount of organization and focus, two qualities that I possess, and qualities that planning for prom requires. I have made a lot of progress this year in many aspects, such as fundraising, and I would like to see them all through. Being in this group has definitely been a highlight of my highschool career, and it is something that I can easily say I am proud to be apart of. I know that I can continue to show my initiative and management to guide our class up until we walk down the aisle at graduation in our caps and gowns.

Daniel Kim

Class of 2020

It would be an honor to be a class officer as it is a position in which represents students of our class. It's a position in which accumulates a vast array of ideas and perspectives of the student body where students have influence on their environment. Assuming the position of a class officer is my opportunity to give back. Whether it be the senior picnic or prom, my hope is that we as a class could have a successful senior year that is filled long lasting memories. As this class has given to me. Thank you.

Sincerely,

Daniel Kim

Hannah Lewis
Class of 2020

Dear Classmates,

I would be honored to serve as a representative for the Class of 2020 and hope you consider voting for me. My goals are to promote inclusivity and to amplify student voices. If I am elected, every single person in our class can know with confidence that their voice will be heard. You can trust and count on me to listen and present your ideas as well as my own about issues such as food services, courses, and clubs. I want to hear about what is important to you and promise to work hard for results. Additionally, I have extensive experience with fundraising and will implement successful fundraisers so class events like Prom are amazing! Please vote for me as class representative, because I want to listen and do anything I can to make our years at DHHS, inclusive, rewarding and fun.

Thank you,
Hannah Lewis

Ava Lombardi

Class of 2020

As a current junior at Hand, I have already experienced so much of what our school has to offer, but am also very excited for all that is to come. As a member of Class Council, I provide an original, yet knowledgeable voice to advocate for the student body. I am a very determined person, and do not hesitate to speak up in order to support everyone's ideas. I am energized and love working with other people, and have really appreciated this opportunity to collaborate with my peers on planning fundraising and in-school events, as well as out-of-school class functions. If given the chance, I would continue to work hard to make sure that everyone's voices are heard, and try my best to make our class, and the rest of our time at Hand, as memorable as it can be. Thank you so much for considering re-electing me for Class Council!

Jessica Murphy
Class of 2020

Hello fellow Daniel Hand students. My name is Jess Murphy and I am currently a member of the class of 2020 class council. I believe you should consider re-electing me because I am an active and hardworking member of our student government who is always providing my true and honest opinion to whatever the topic is on the table. I am always trying to make our class a strong, unified grade by coming up with new and creative ideas to bring everyone together. A significant aspect of this position is to be a leader and role model to the student body both inside and outside of school. I believe I fit this description. For example, I am involved in buddy baseball within our community which requires me to be a leader and role model to kids who have more challenges than I do, playing baseball. Within school, I am involved in three different sports teams which all allow me to demonstrate leadership to my coaches and fellow players. All in all, I believe I would make a great candidate for the class of 2020 student council based on my experience, dedication and worth ethic. I believe you should re-elect me for this position.

Thanks!

~Jess Murphy~

Erin Reilly

Class of 2020

I would like to be re-elected for a fourth year as one of your class officers! As a current member of Class Council, I have been helping to organize fundraisers, like our recent Silent Auction, and plan our class events, like Junior and Senior Prom. With my experience in Class Council, I will continue to listen to your ideas and suggestions in order to help coordinate class activities and make a memorable senior year. It would be my pleasure to work with you and on your behalf again next year as we bring our time at Daniel Hand to a successful conclusion. Thank you for your consideration!

Madison Rotermund

2020

I would like to hold a position as class officer because I enjoy the challenge of working with different people to make important decisions for our class. As a class officer this past year, I enjoyed the opportunity to make a difference by organizing events with my fellow advisers to raise money for our class. I hope to continue to develop my leadership skills and decision making abilities as a class officer. I want to continue taking part in fundraising for those in need and make a difference because I love helping others. As an officer, it will be more efficient to spread word about fundraising events that will benefit our class. I will continue to listen to my peers opinions about what they would like to see done and the most effective ways to raise money and benefit the class. I look forward to sharing my thoughts and working with my fellow officers to ensure the class of 2020 has the best experience possible!

Chloe Thompson
Class of 2020

With our senior year quickly approaching, I am looking forward to planning the exciting events that come with being upperclassmen. With your vote, I can continue to organize the activities the class council and I have been working on throughout our freshman, sophomore, and junior year. As a member of various sports teams and the music program at Hand, I will be able to represent the interests and ideas of our diverse student body. I am dedicated to voicing every student's opinion with passion, energy, and enthusiasm as I strive to create a positive environment at Hand. Thank you so much for giving me the opportunity to serve on class council for the past three years, I hope I can continue to represent our class as we transition into our senior year!
