Latinx Community Engagement
April 8, 2019
Understanding who we are
Our Latinx students represent 35% of our enrollment – and that number is growing.
31% of our families speak Spanish at home.
Diverse learners flourish with asset based instructional options.

Dual language, newcomer academy pilot, and seal of biliteracy pilot build on our students strengths.
Partnerships and opportunities
Our students are thriving with the strong support of our community partners.
200+ junior high families have graduated from the Unidos Se Puede! program.
20+ of our Latinx students participate in monthly mentoring sessions with Tulsa HYPE – Hispanic Young Professionals and Entrepreneurs.
Our high school students have opportunities to ask questions and learn about immigration and higher education opportunities.
Learning together
Recently arrived parents must learn how to understand, navigate and engage in their child’s education.

Cooper Elementary, Kerr Elementary, and Skelly Elementary offer Parent Welcoming classes to empower newly arrived families.
Learning opportunities for parents benefit the parent – school partnership.

Dolores Huerta Elementary, Hamilton Elementary and Mitchell Elementary invite parents to learn English along with their students.
