

Mount St. Dominic Academy,

established by the Sisters of St.

Dominic of Caldwell, is a Catholic,

college preparatory school for young

women. We are dedicated to the

education of young women from a

variety of ethnic, religious and

economic backgrounds.

The Mount community is committed to seeking the Truth in all aspects of life. The students are able to realize their individual gifts and talents in an atmosphere that fosters academic excellence, respect for diversity, appreciation for the gifts of creation, moral integrity and a heritage rich in Christ-centered values.

MESSAGE FROM HEAD OF SCHOOL AND BOARD OF TRUSTEES CHAIR

ON BEHALF OF THE LEADERSHIP COUNCIL of the Sisters of St. Dominic and the Board of Trustees, I am happy to present you with our 2017-2018 Annual Report. This report symbolizes the conclusion of a remarkable year, one in which we celebrated the 125th Anniversary of our beloved school. Throughout this report, we will share information about the generous philanthropic support we have received from so many throughout our community – donations to the 125th Anniversary Society, to The Mount Fund and to our annual Day of Giving. We will also take this opportunity to acknowledge the members of our community who give so willingly of their time and talents; from the leadership of the Sisters of St. Dominic, to the Parents' Association, to all the alumnae and committees that worked so tirelessly to ensure the success of our school year.

Every single donor plays a vital role in fulfilling a young woman's dream of attending the Mount. Gifts of every size help us offset the actual cost of educating our students, allowing us to extend a tuition savings of more than 10 percent to all of our families. It is critical to our mission – to the sustainability of our 126 year legacy – to make a Mount education affordable so we can continue to challenge and enrich the lives of more young women in the classroom, on the field and in life.

This past year, in addition to rigorous course offerings, new clubs and service projects, and exciting sports and performing arts opportunities, we were proud to launch a Senior Capstone in Directed Research. An elective that must be applied for in a student's junior year, each young woman worked throughout the year, researching a topic of their choice, often in line with a potential college major or career path. The range of topics was as vast as the diverse group of young women who participated, from emerging technologies in the field of physical therapy, to prison privatization, to the political and economic factors that influence immigration. The success of this program is in large part due to the Mount alumnae mentors who helped in the development of the students' topics, and provided a safe and judgement-free environment for a first foray into professional communications.

So much of what you do – from gifts of time, treasures and talents – makes these innovative programs possible. I hope you are filled with pride watching the growth of our school and the promise of our students, and that you understand that where we are today, is a reflection of your ongoing faith, support and loyalty. On behalf of the entire Mount community, thank you.

May God Bless you,

A handwritten signature in black ink, appearing to read 'S. Sullivan'.

125th ANNIVERSARY SOCIETY

In commemoration of the 125th Anniversary of Mount St. Dominic Academy and in gratitude to Sister Fran Sullivan for her years of devoted service, the following MSDA class years, alumnae, parents, families, friends and institutions have each contributed to the 125th Anniversary Society. The Sister Fran Sullivan, OP '60 Arcade sign and the plaque memorializing the contributions of these individuals will create a fitting and permanent tribute to Sister Fran's legacy, the generosity of our Mount community, and the efforts of both to enable more students to benefit from a Mount education.

MOTHER CATHARINE SOCIETY

Where would the Mount be today if Mother Catharine Muth had not planned for the future? Mother Catharine was prioress of the Sisters of St. Dominic in Jersey City during a tuberculosis outbreak in the late 1800's. She had the foresight to move some of the sisters to a hilltop in Caldwell and to establish an educational institution, Mount St. Dominic Academy. Mother Catharine wanted to ensure that the good works of the Sisters of St. Dominic would continue long after she was called home to God. The Mother Catharine Society recognizes those who share her vision and support the Mount into the future with a planned gift.

You can become a permanent member of the Mother Catharine Society by making a planned gift to the Mount, such as naming the Mount as a beneficiary in your will or life insurance policy or by establishing a life income trust, gift annuity or other special deferred gift plan. These gifts bolster the financial strength of Mount St. Dominic Academy so that our mission of educational excellence and empowering young women endures for generations to come. Want to know more about planned giving? Please visit our website, www.msdacademy.org, and click on the Donate button. If you have already included the Mount in your estate planning, please contact the Development Office (ttaylor@msdacademy.org or 973 226.0660 ext. 1130) so that we can include you in this society. If you prefer, your membership can remain anonymous.

There are so many ways to give to the Mount. For more information on these (and ways to honor or remember someone special) contact the Development Office.

PLANNING FOR THE FUTURE

By doing so, you will become a member of the Mother Catharine Society. If you have already done this or would like discuss it further, please contact the Development Office.
