

BOND

2019 ELECTION

EANES INNOVATIVE SCHOOL DISTRICT

Eanes ISD has called an \$80 million bond election to be held May 4, 2019. The bond (Proposition A) requires **no tax rate increase** and includes projects for all nine campuses, including safety & security, student programs & support, energy efficiency & conservation, facilities as well as new spaces for the Aquatics and Wrestling programs and expanded space for the Robotics and Engineering programs.

Those over age 65 have their Eanes ISD taxes frozen. The District's bond program takes pressure off the Maintenance & Operations (M&O) budget, which is used to pay day-to-day expenses such as teacher salaries and campus utilities.

\$8M SAFETY AND SECURITY

- Chap Court entry secure vestibule
- Perimeter fencing/barriers
- Fire alarm systems
- Cyber security infrastructure
- Security cameras and access controls
- Campus emergency notification systems

\$5M ENERGY EFFICIENCY AND CONSERVATION

- LED Lighting Retrofit
- Lighting Control Sensors
- Energy Efficient Windows

\$28M FACILITIES

- Plumbing Electrical HVAC Roofing
- Campus refurbishments (painting & flooring)
- Middle schools: artificial turf replacement

\$28M STUDENT PROGRAMS AND SUPPORT

- Student technology
- Staff technology
- Audio/Video in classrooms
- Classroom technology/lab devices
- Performing Arts Center lighting & technology
- Fine Arts Equipment
- Athletics Uniforms & Equipment
- Classroom flexible furniture
- Library upgrades and refurbishments
- Buses: School bus seatbelts

\$11M INSTRUCTIONAL, CO-CURRICULAR AND EXTRA-CURRICULAR SPACES

- Includes WHS Aquatics Center, WHS Robotics expansion, WHS Wrestling space.
- The Eanes ISD Board agreed to use no more than \$4 million of funds from the sale of District properties to fund construction of new facilities proposed in the bond.

The debt to build the Aquatics Center would not be issued until 1) construction is deemed feasible and 2) necessary permitting and approvals are obtained and 3) the facility's impact on the Maintenance & Operations (M&O) budget would be significantly mitigated or eliminated.

PROJECTS SPECIFIC TO BRIDGE POINT ELEMENTARY

- Musical instruments and equipment
- Campus stage lighting and sound system replacements
- Library upgrades including story steps
- Lightning detection system upgrades
- Add/update perimeter fencing
- Add/update pedestrian access, front of school
- Student and staff technology and lab devices
- Flexible classroom furniture
- Campus refurbishments (painting and flooring)
- Sewer lift station updates
- Retrofit buses with seatbelts
