

April 2019

Dear Marvelwood Families,

Marvelwood has teamed up with The UPS Store to bring you a secure and convenient option to store your student's belongings over the summer. Due to liability and security issues, we will no longer be storing student belongings on campus. Through UPS, your student will pack up boxes in their dorm room and label them with custom printed labels. UPS will pick boxes up the day after school ends, store them for the summer, and return them to their dorm room in the fall. If your child is a graduating senior, boxes can be delivered to their college dorm.

Boxes will be available for sale during the last week of classes. The UPS Store will also be on campus on Friday, May 31st from 1-5pm and on June 1st from 12-5pm. They will have storage materials, including packing tape and boxes, for sale at that time.

Please see the attached flier for more information, including pricing and setting up an account. It is important to note that you must set up an account and establish this service before May 15th to ensure that your child's belongings will be stored. Any items that are left behind at the end of the year will be donated to charity.

Should you have questions about this service, or if you'd like to set up an account, please call or email our UPS representative, Dan, at: store1915@theupsstore.com / 860-231-0037.

Sincerely,

Misty Jordan
Director of Residential Life

**Summer Storage Program for Marvelwood School
with Shipping Services Provided by**

The UPS Store
