

Falcon Sports Boosters Membership Form 2018-19 school year

Why Be a Booster Member? – The Sports Boosters support all athletic programs at Hanford High School. Our goal is to “Paint the town Purple” with increased support and recognition of Falcon Athletes and Coaches. Our plan includes facility improvements, increased training for coaches, player recognition, and much more. We believe that every family with a Falcon Athlete should be a member of the Sports Boosters. We need your financial support through becoming a member to achieve our goals.

NOTE: The Family and Individual Sports Passes are only available through the Hanford High School Sports Boosters. The Sports Passes provide admission to all Falcon home games for the entire school year with significant savings over individual game admission fees. District, Regional and State playoff games are excluded as WIAA guidelines require the collection of admission fees.
