The Junior Class is working on creating lanyards for the Class of 2020! Make sure to buy one of the lanyards once they are released.

The Senior Class has started working on graduation and prom committee! The committee will be meeting after break, so stay tuned for updates on that.

SRO was a huge success, and the Class of 2019 wanted to thank everyone who participated and attended. Remember the discount when you buy your prom tickets for those of you who were in the show!

Unity Week is in full swing this week (April 8th to April 12th)! There will be daily activities and a moment of silence in the student center on Friday. See Mrs. Foster's email for the agenda. Sign up to volunteer: <https://forms.gle/F1FLSYacT1mzDYgo8>.

April Student Shoutout: Helen Feldmeth, 11th Grade

This month, the Executive Committee has decided to include a Student Shoutout in our monthly newsletter.

Helen Feldmeth, a junior, showed her dedication to the GHS community through her efforts by creating a logo and making an effort to help out in preparation for the Food Truck Fair. She did a great job in creating the logo and has continued to be a huge help in setting up.

Thank you Helen!
