WATER, WATER EVERYWHERE!

April showers bring water power to animals and the ecosystem!

- * Explore Deep Brook's water creatures, native trout and invertebrates
- * Join the experts from Norwalk Maritime Aquarium and their ocean animal touch tank
- * Learn how to keep water clean with rain barrels, rain gardens and native plants
- * Examine wetland life for Citizen Science using iNaturalist app & digital microscope

Meet the adoptable animals!

Children 12 and under must be accompanied by an adult. Boots or appropriate footwear suggested. Changes due to weather will be posted on website.

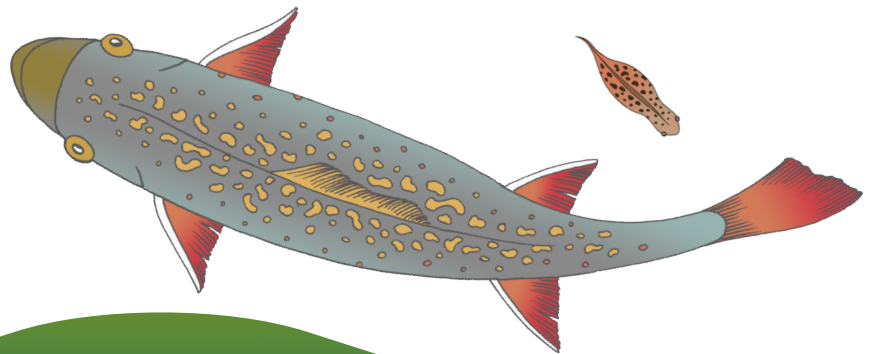

Donations of 2.5 gallon water jugs appreciated for our upcoming Butterfly Party.
