Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-18 educational progress for Allen Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Renne' Chilson for assistance.

The AER is available for you to review electronically by visiting the following web site <http://bit.ly/2HPfxjT>, or you may review a copy in the main office at your child's school.

For the 2017-18 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

When reviewing the combined report, 4th and 5th grade ELA have increased in proficiency by 15% & 3% respectively. 5th grade Math increased slightly by 1% in proficiency. 3rd grade ELA, and 3rd & 4th grade Math showed between 16%-19% decline in proficiency. Allen faces social, emotional and behavior challenges that students demonstrate in a greater frequency on a daily basis. Allen also has children entering kindergarten with academic, as well as social and emotional and behavioral challenges. An additional key challenge is that we have a high population of Economically Disadvantaged students in the district. The School-Improvement Team has previously sent two teams of teachers to participate in book studies that provide guidance to help students who come from poverty. Our school was awarded free breakfast and lunch for the entire student population due to our increase with students living in poverty. Allen also has ESL support and tutoring services that are offered during the school day.

The data supports the need for more social and emotional support such as, Trauma-informed strategies, PBIS and additional need for more social work services. Teachers are continuing education in these areas as well, with book studies, professional development and workshops.

Our system of MTSS (multi-tiered-system of support) meets every 6 weeks with all staff who provide interventions for students. This system enables any student to receive additional services during the school day and before school, through push in and/or pull out ELA (English Language Arts) and Math services, and Math after school tutoring. Students are also referred for behavioral supports by our PBIS Interventionist through our MTSS. Through Federal grants we are able to continue increasing time with our PBIS (Positive Behavior Intervention Support) program and MTSS to foster greater one to one and small group lessons.

### **PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL**

Southgate resident are assigned to our elementary based on where they live. Each building has home school boundaries. Parents register at their home school. School-of-Choice students are assigned to each building based on the student population in each grade level.

### **THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN**

Southgate continued the school improvement process in accordance with Public Acts 25, 335, 339, the federal NCLB and requirements for Title I using the School Systems Review Report and the School Improvement systems as models. The district's mission statement guided the work of the School Development Teams in each school.

**IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES**

Each building has a day in the fall and a day in the spring dedicated to Parent-Teacher conferences. In grades K-5 parents are given a scheduled time to visit their child’s building to discuss their individual progress. In grades 6-12 parents are given a two-hour window in the afternoon and evening. Parents are strongly encouraged to talk to all their child’s teachers.

<b>Year</b>	<b># Students Represented</b>	<b>% Students Represented</b>
Fall 2015	367	99.5%
Spring 2016	370	96%
Fall 2017	355	96%
Spring 2018	344	89%

Southgate Schools is dedicated to continuous improvement and consistently analyzes student achievement data to monitor progress. Although there are areas of needed improvement, Southgate teachers, parents, staff and students should be commended for their efforts in many areas that have continued to show student growth.
