## **TCAP/TN Ready Testing**

**Starting April 16<sup>th</sup> until May 1<sup>st</sup>, all CGIS students will be taking the TCAP/TN Ready Standardized Tests for this school year. This will affect doctor appointments and any other appointments your student may have. During testing time periods, we are not allowed to call into the rooms to get your students. All testing should be completed by 11:00 am each day.**

**We will not be offering Breakfast Break, which is the extra mini-breakfast, on testing days. Please help our CGIS students to have a successful TN Ready Test by being on time each day and eating a nutritional breakfast. Breakfast will be available on all testing days in the cafeteria between 7-7:30 AM. Let's SOAR to New Heights!**

**Below are all the TCAP/TN Ready Tests and the specific date for those tests.**

**Tuesday, April 16<sup>th</sup> - ELA Sub Part 1**  
**Tuesday, April 23<sup>rd</sup> - ELA Sub Part 2 & Math Sub Part 1**  
**Wednesday, April 24<sup>th</sup> - ELA Sub Part 3 & 4**  
**Thursday, April 25<sup>th</sup> - Math Sub Part 2 & 3**  
**Tuesday, April 30<sup>th</sup> - SSL Sub Part 1 & 2**  
**Wednesday, May 1<sup>st</sup> - Science Sub Part 1 & 2**

**Tuesday, April 16<sup>th</sup> - Ne\$tEgg's Last Day** - This will be the last day that Ne\$tEgg is open for the school year. Make your final deposits! We look forward to it reopening in the fall!

**Thursday, April 18<sup>th</sup> - Spring Pictures: Pre-Pay Only**

**Friday, April 19<sup>th</sup> - No School** - Students and teachers will not attend school in observance of Good Friday. Adventure Club is also closed on this day.

Please visit our CGIS website at [www.maryville-schools.org/cgis](http://www.maryville-schools.org/cgis) to find information regarding all our activities, clubs, school calendar, classroom information, and more.

## **Final Orchestra Concert**

The Spring Orchestra Concert will take place on Thursday April 25<sup>th</sup>. The concert will be held at the Clayton Center for the Arts on Maryville College's campus. 5<sup>th</sup>-7<sup>th</sup> Grade will perform a variety of musical selections beginning at 6:00pm. The concert is free of charge and open to the public so please invite as many family members and friends as you like! Performers (participating students) should arrive no later than 5:30pm to get tuned and warm up for the performance.

## "INSTRUMENTS IN THE ATTIC"

Give an invaluable gift today through an instrument donation and recycle the love of music. Your gently used instrument donations are critical for maintaining an inventory of quality instruments for students in need at Coulter Grove Intermediate School. New and gently used instruments OF ALL KINDS are accepted (not just band and orchestra instruments). Used instruments should be in functioning or near-functioning order. Don't have an instrument to donate? Financial gifts are also accepted to repair and maintain the donated instruments. We will gladly accept instruments in "near-functioning" order needing slight repairs. Examples of light repairs are replacement strings/bridges for violins or guitars, slide or valve lubrication for brass, or pad/cork replacements for woodwinds. Thank you so much for bringing the gift of music to students in your community!

### Digital Citizenship - Self Image and Identity 4/12/19

Here are a few words of wisdom regarding digital citizenship. This week, we are focusing on Self-Image and Identity. Although it's important to stay true to who you are online, remembering privacy and security can help keep you safe. Before creating profiles, accounts, and posting information, think back to some of our privacy and security guidelines. At Maryville City Schools, we recommend that each person: Consider how much information you're posting about yourself. Think about who will be able to access this information. It's always better to under share than overshare when you're posting online. A positive self-image and identity start with the choices you make.

### IMPORTANT NOTICE FOR ALL RISING 7<sup>th</sup> GRADE STUDENTS AND FAMILIES

All students entering 7th Grade are required to have the following immunizations PRIOR to Tuesday, August 6, 2019.

- Tetanus-diphtheria-pertussis booster (T-dap)
- Verification of immunity to Varicella (chicken pox): 2 doses or history of disease with documentation.

In order for your student to start school at CGIS on Tuesday, August 6, 2019, an updated immunization record printed on the NEW OFFICIAL "Tennessee Department of Health Certificate" of immunization form must be provided to the school. \*\*\*Please use these next few months to get your student's shots updated and printed on the paper form. \*\*\*If there is a religious exception for your student's immunizations, please stop by our school clinic to sign a "Religious Exemption" form.

## COULTER GROVE Collaborative Mural Project

---

Help us design our new CGIS mural that will be painted by artist Curtis Glover in the main stairwell this summer! Curtis will be using student-submitted designs as inspiration and direction for this mural. We need you to submit your own original ideas to Ms. Ryba no later than April 26th. House points will be awarded for each submission that shows effort and creativity.

### *Mural Criteria:*

- *Main theme should be based on the principles of SOAR: Show Up, Own It, Achieve, Respect*
- *Incorporate school colors: blue and navy*
- *Include house colors: black, red, silver, orange, purple, gold, blue, green*

These criteria do not have to be super obvious or main aspects of the mural. When designing your mural entry be creative and original. Think about what represents the culture of our school. We encourage you to think outside the box and include images that you don't already see around the school. You may use any drawing material for your design such as markers, colored pencils, etc. (the finished mural will be painted on the wall). Please turn in your finished submission on a piece of computer or other drawing paper of similar size. Your name, grade, and homeroom teacher **MUST** be printed legibly on the back.

Looking forward to May? Mark your calendars now for our CGIS Art Fest. It will be held on Thursday, May 2 from 5-7 PM. Students are selecting their art to display for this fun filled art show!

The John Sevier Family has begun an extraordinary project to honor Keith Burroughs's. Mr. Burroughs taught at JSE for 18 years and has had a huge impact on the lives of many in our community. Mr. Burroughs wanted all of us to be active, get outside, and play. The Fox's Burrow will be a community space that will include a playground, walking trail, gaga ball pit, Frisbee golf, kickball field, and an outdoor classroom. This space will be open to public use. Please help us create this amazing legacy to honor Keith Burroughs. There are links below to the website as well as to an online tee store. On the website are sponsorship opportunities for both families and businesses. A portion of t-shirt sales will go directly to funding this project. T-shirts are \$15 each; they are a very soft tee in heather red for Maryville.

## THE FOX'S BURROW

My last conversation with Keith Burroughs was not unlike many other conversations before. We had both enjoyed another successful pool party with hundreds of families in attendance. He took in a deep breath, cocked his head to the side and said, "Wouldn't it be better if we just had a little more time for the kids to swim?" You see, that's always how it was. Keith was continually wanting more time for the kids to be active, try new sports, run more, play more, and he was ALWAYS willing to go the extra mile to ensure it would happen. Keith Burroughs was an incredible father, teacher, and person. He dedicated countless hours during his 17 years at JSE creating experiences for our students that will last a lifetime. This impact should not be minimized. We want to honor his work and contribution to this school and community in a way that truly honors him. "The Fox's Burrow" will do just that. Our dream is to create an outdoor community play space that not only honors him, but allows his impact to be felt for years to come. It will include a playground, kickball field, walking trail, Frisbee golf, gaga ball pits, and an outdoor classroom. Thank you for your support of his legacy, knowing this space will provide a safe, fun place for our community and JSE students.

Principal at John Sevier Elementary
