DATES AND COURSE DESCRIPTIONS

- Fairfield Prep's Summer School for the Class of 2023 will run from Monday, June 24th – Friday, July 19th. Classes will not be held on Thursday, July 4th. Due to the compressed nature of the courses over the summer, **no absences will be permitted**.
- Incoming 9th grade students are able to take between one and four of the following courses:

Credit Bearing Course

- **Foundations of Technology & Coding:** Foundations of Technology and Coding is a required one semester or summer course (0.5 credit) for all freshman and transfer students. The first part of this course will introduce students to the iPad as an educational tool. Students will enroll in all necessary systems and learn about important schoolwide iPad apps including, but not limited to, Schoology, Google Drive, Notability, Pages, Numbers, and Keynote. Students will also learn about Digital Citizenship. The second part of this course will introduce students to coding languages including, but not limited to, Swift, Java and Python. Students who successfully complete the course over the summer will not have to take the course during the academic year.

Non-Credit Bearing (Enrichment) Courses

- **Effective Writing:** The purpose of this course is to create for the student a sense of the paragraph (development by description, narration, explanation, example, simple definition) and experience basic English sentence patterns. Parts of speech are identified, functions defined, and common usage mastered. Students are also taught how to logically develop their thoughts. Textbook purchasing information will be provided after student is registered in the summer program.
- **Effective Reading and Study Skills:** This course will equip students with the reading skills and study techniques needed to achieve academic success in a college preparatory environment. During the four weeks of the course, students will read one selection from the summer reading list for incoming freshmen. Students will also learn and practice a number of essential study skills including time management, note taking, test preparation and test taking.
- **Foundations of Mathematics:** In this course, students will cover topics which will be taught in the first semester of Algebra I –the basic skills of manipulating exponents, working with polynomials, rational and irrational expressions, quadratics, and solving word problems through the use of factoring and other techniques. Students also learn to solve and graph linear equations and inequalities, work with functions, exponents, systems of equations, and radical and quadratic equations.

ENROLLMENT AND REGISTRATION INFORMATION

- Enrollment: Students have options for enrolling in summer courses:
 - Foundations of Technology & Coding and 3 enrichment courses (Academic Enrichment Camp)
 - Enrichment Courses only (1 – 3 courses)
 - Foundations of Technology & Coding only
 - Combination of Enrichment Courses

- Access to the online course registration will open on April 29, 2019.

- After the registration deadline, final student schedules will be sent to parents by e-mail.

ACADEMIC ENRICHMENT CAMP

- Students who are enrolled in the full day Academic Enrichment Camp from 8:30AM – 2:30PM will take all four courses listed above (Effective Writing, Effective Reading and Study Skills, Foundations of Mathematics and Foundations of Technology & Coding) and also have a lunch period and recreation time. Placement in summer Foundations of Technology & Coding is guaranteed to students enrolled in the Academic Enrichment Camp.

- The fee for the Academic Enrichment Camp is \$900.00

- Daily Schedule:

Period 1 8:30 – 9:15	Period 2 9:20 – 10:05	Period 3 10:10 – 10:55	11:00 – 12:00	12:00 – 12:30	Period 4 12:30 – 2:30
*Enrichment Course 1	*Enrichment Course 2	*Enrichment Course 3	Recreation	Lunch	Foundations of Technology & Coding

*One of the following: Effective Writing, Effective Reading & Study Skills, or Foundations of Mathematics

ENRICHMENT COURSES / FOUNDATIONS OF TECHNOLOGY & CODING ONLY

- Students who are enrolled in Enrichment Courses and / or Foundations of Technology & Coding but not in the full Academic Enrichment Camp will be able to give a preference as to the time they would like to take the class. Every effort will be made to honor requests for specific times or to be scheduled with a specific student; however, due to the nature of the registration procedure, time preference of the course cannot be guaranteed.

- Enrichment Courses (Effective Writing, Effective Reading & Study Skills, or Foundations of Mathematics) are offered at each of the following times:
 - Period 1: 8:30AM – 9:15AM
 - Period 2: 9:20AM – 10:05AM
 - Period 3: 10:10AM – 10:55AM

- Foundations of Technology and Coding is offered at the following three times:
 - Period 1: 8:30AM – 10:30AM
 - Period 2: 10:30AM – 12:30PM
 - Period 3: 12:30PM – 2:30PM

COURSE FEES

- The fee for the full day Academic Enrichment Camp is \$900.00

- Below is a table of fees for select courses:

Course	Fee	Course	Fee
Foundations of Technology & Coding ONLY	\$450	1 Enrichment Course	\$350
Foundations of Technology & Coding AND 1 Enrichment Course	\$625	2 Enrichment Courses	\$500
Foundations of Technology & Coding AND 2 Enrichment Courses	\$775	3 Enrichment Courses	\$600

SUMMER SCHOOL RULES AND REGULATIONS

- All students are required to attend their classes every day and report on time. The Foundations of Technology & Coding course is a credit bearing course; therefore, attendance is mandatory and no absences are permitted.
- Progress reports will be issued to students midway through the course.
- During summer school, students must adhere to the summer student dress code. Students should wear a collared shirt that should remain tucked in at all times, a belt, dress pants or dress shorts, and shoes or sneakers with socks. Hats and sandals are not permitted. Students are expected to attend school dressed appropriately for an academic setting. Students who do not follow the dress code rules will be sent home.
- All other rules in the [2018 – 2019 Fairfield Prep Student / Parent handbook](#) are enforced during summer school.
- There is no shuttle bus transportation to the train station.
- Car pool: Although Fairfield Prep doesn't arrange car pools, we will make available to you a website site to facilitate car pools. You will receive a separate email with more information at a later date.
- The Student Life Center will be open for students to eat lunch in during summer school. Food service is not available – students must bring their own lunch.
- Students who are enrolled in Foundations of Technology & Coding during summer school will have this course listed on the students' course of study until the course is successfully completed in summer school.
