

We have made special arrangements for school staff to be available to assist parents who need help registering their returning student for school next year. Below is a chart that tells the date assistance is available, which school the assistance will be, and the specific time assistance will be offered. Parents are welcome to go to any school for assistance regardless of which school your child attends if that date and time works best for you. If you are unable to attend any of the scheduled dates/times below, please contact your child's school to schedule an appointment for assistance.
