"With great leadership and strong competition for varsity sports, the boys team exceeded expectations this year. The girls team, though, fell a bit short of where they thought they'd finish. However, that should serve as motivation for next year. This was one of our largest teams ever, and that bodes well for the future." -Coach Frye

A photograph of two male students sitting at a wooden table in a classroom. The student on the left, wearing a maroon sweatshirt with a 'MAYFIELD' logo, is holding a black video game controller. The student on the right, wearing a white t-shirt, is looking at the controller. A laptop is open on the table to the left, and a white bucket is in the foreground.

A group of five students posing on bleachers. In the front row, three students are kneeling: a man in a red hoodie on the left, a man in a white shirt and glasses in the center, and a man in a plaid shirt on the right. Behind them, two women are standing on a higher row of bleachers. The woman on the left is wearing a pink hoodie, and the woman on the right is wearing a red hoodie. They are all smiling at the camera. The bleachers are made of wooden and metal slats, with some sections painted red and others yellow.
