

Creating an iTunes Account

On iOS Device

To create an iTunes account that is not linked to a credit card, follow these steps:

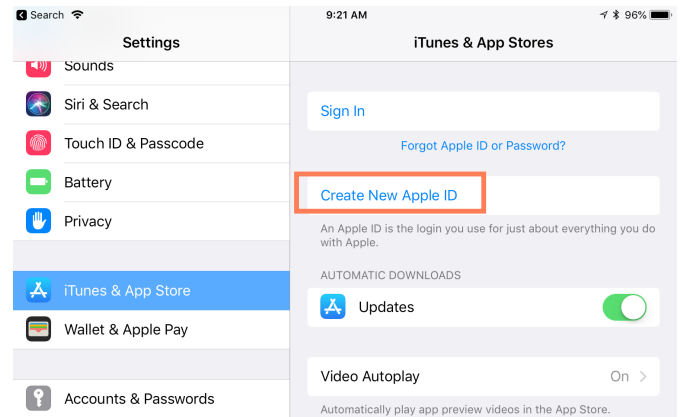

- 1 Open **Settings** on your district iPad or another iOS device.

If signed into another account, tap on Apple ID and then tap **Sign Out**.

- 2 Go to **iTunes & App Store**.

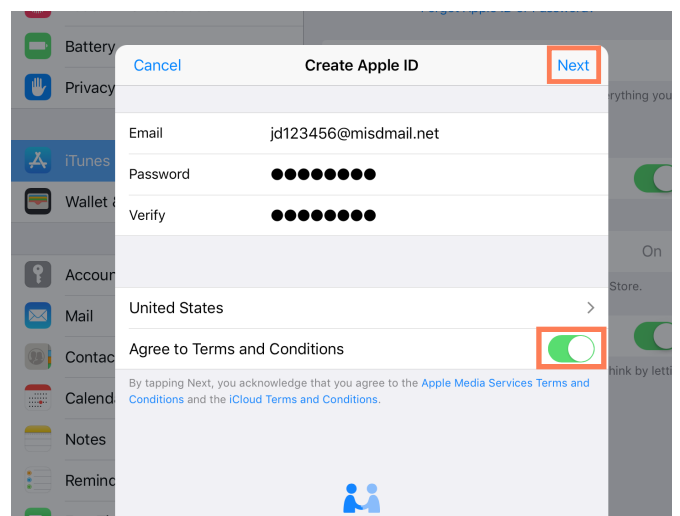

Tap **Create New Apple ID**.

- 3 Complete the details for your Apple ID:

- **Email:** we recommend using your MISD email - initials+ID@misdmail.net
- **Password:** must contain at least 8 characters, including at least one lowercase, uppercase, and number
- **Country:** United States
- **Terms & Conditions:** review and toggle on to acknowledge agreement

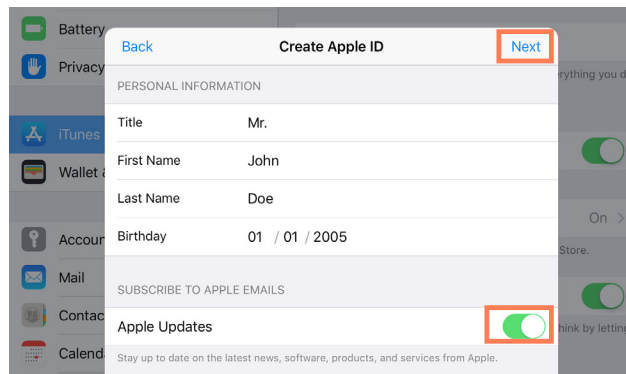

Tap **Next** to continue.

4 Complete Personal Information:

- **Title**
- **First Name**
- **Last Name**
- **BirthDay:** must be at least 13 years of age
- **Subscribe to Apple Emails:** toggle off if you do not wish to receive emails from Apple

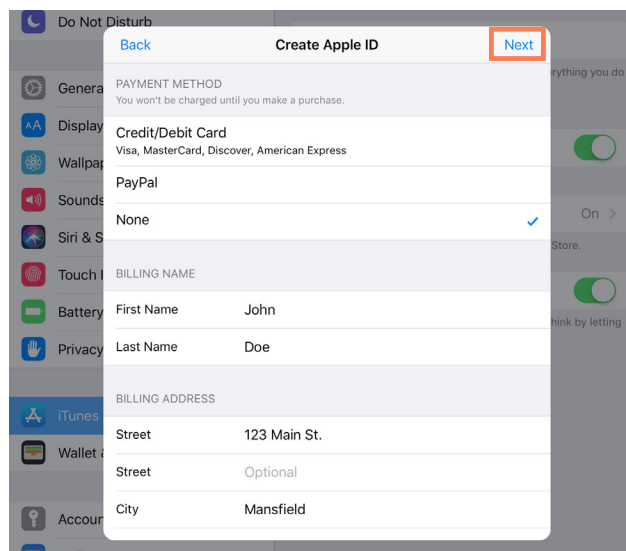

Tap **Next** to continue.

5 Complete Payment Information:

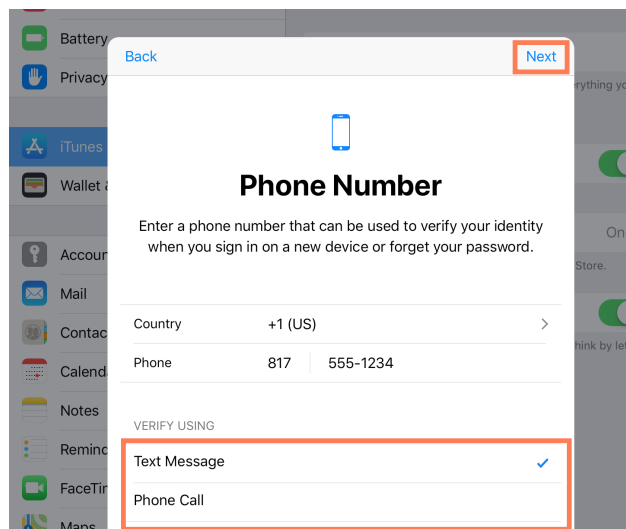

- **Payment Method:** none
- **Billing Name**
- **Billing Address:** use home address

Tap **Next** to continue..

6 Enter phone number to receive verification code and select **Text Message** or **Phone Call**.

Tap **Next** to continue.

7 Enter verification code and tap **Verify** to complete iTunes account creation.
