

GOA's Mission

GOA reimagines learning to empower students and educators to thrive in a globally networked society.

We deepen learning through courses that equip students with the knowledge, skills, and dispositions to be successful in high school, college, career, and life.

We coach teachers to think differently about how they design student learning experiences.

We work with educational leaders to ensure they have the strategies and tools to lead innovation and change.

GOA is a marker of your school's story of innovation, global programs, and modern learning. Our partnership expands the incredible options available to our students.

GOA is an example of how your school is navigating a changing educational landscape—it is a collaborative, cross-cultural, transdisciplinary partnership with peer institutions around the world.

GOA is what happens when inspired teachers, innovative designers, and ambitious students adapt today's classroom to tomorrow's world.

GOA is a partner to educators, schools, and organizations looking to transform teaching practices and learning environments to meet the challenges of a changing world.

GOA is a humanizing force in the digital future of high school education.
