

TASIS LOWER SCHOOL
2014-2015

BIRTHDAY BOOK CLUB

The excellent collection in the Lower School Library at TASIS is partially due to your generosity through our Birthday Book Club. We invite you to donate a hard cover book to our library in honor of your child's birthday or other special event. The student's name and birth date will be placed in the front of the book on a TASIS bookplate and we will create a bulletin board in the library with the titles and donors of this year's donated books. Each month a Friday bulletin announces our new books and their sponsors.

You are welcome to select a book from a local bookshop or, to avoid duplications, you and your child might want to select a book that I have already purchased for our library, but has not yet circulated. These books are on a special shelf and the cost to "adopt" one of these books is £10.

***Our collection has improved and grown in the past years
due to your generous support!***

If your child would like to participate in the Birthday Book Club you may send £10 **prior** to your child's actual birthday. I will keep track of the money and help your child select a special birthday book **during the week of his/her birthday**. In the case of summer birthdays, half birthdays can be celebrated. You are welcome to stop by and with your child, select their birthday book.

Thank you,
Jordan Kominsky, Lower School Librarian
