### Our “Glori-ous” Country Fair!

There is nothing better than coming out of hibernation to find myself on the roof of Southridge’s Junior School.

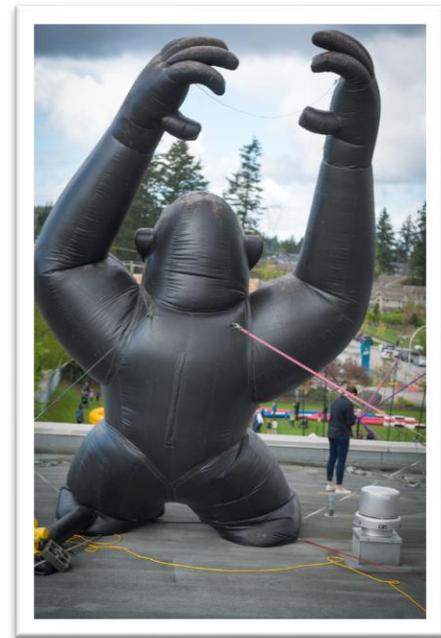

As I slowly inflate, I can see hundreds of adorable students pointing and waving at me with huge smiles on their faces. I know they are welcoming me back after a year away and my appearance is their signal to start making their Country Fair plans. Meeting up with each other at the indoor games, a Root Beer float followed by face painting, and finally finishing off at Wipe-Out... the Country Fair might just be their favourite day of the year. And I get to witness it all.

Indeed, there isn’t a better vantage point for watching your amazing Southridge community in action. Starting on Friday afternoon, I love watching parent volunteers transform an ordinary school field into an extraordinary carnival. On Saturday,

students and parents work together, rain or shine, to ensure the event is fun and safe for all. Finally, on Sunday morning, right before I head back into hibernation, I watch the last team of volunteers clean-up and get the school ready again for Monday morning.

I get to go to a lot of events. I’ve sat on the roof of car dealerships and attended many other carnivals and community gatherings. I was even in a parade once! But nothing compares to the Southridge Country Fair. Every year for 24 years (with the exception of 2013 when I had emergency surgery on my right leg), I have had the best seat in the house at the greatest event of all.

Of course, some things about the Fair have changed over the years. It's certainly gotten a lot bigger since its inception in 1996. I still miss the dunk tank – that was always good for a belly laugh - although, I have to admit that Wipe-Out has proven to be just as funny. I love the addition of the Food Trucks and the various smells that waft up to the roof. And, new for me this year, actually, is that they've asked me to put some clothes on. Times sure have changed!

One thing that hasn't changed, however, is how fortunate I feel to have a small part in such an incredible undertaking. Thank you for continuing to invite me to preside over the Country Fair and thank you, most of all, for your part in it as well. Without you and all your volunteer hours, the Country Fair could not continue. And I can't imagine anything sadder than not being inflated every May to watch you all in action.

See you on May 4<sup>th</sup>!

Gloria (the Gorilla)

## 4th Annual Canadian Cancer Society Relay for Life at Southridge!

This year's Relay for Life is extremely important, especially to the class of 2019.

When this event was premiered at Southridge in 2016 it was originally run by alumni *Justin Sanghe*, who at the 2017 event passed the baton to his younger brother *Jaden Sanghe*. As a member of the class of 2019 it means this will be his final year running the event alongside his committee composed of committed Grade 11 and 12 students.

We, the students of the Senior School will be hosting the 4th annual Relay for Life. Throughout the first three years of the Relay for Life we have made a massive impact, raising over \$250,000 to help send kids, and their families to Camp Goodtimes as well offering funding to help support pediatric cancer research. For those unaware, Camp Goodtimes offers patients and their families, the chance to have some fun and live a carefree life, things normally out of their reach because of rigorous treatment.

This is all thanks to the generous support from parents, teachers and the community. Although we are a small school, the contributions from all supporters of the event have made us the fifth most successful high school relay in Canada. So we would like to ask you to join us in the fight against cancer and help us support even more kids this year! You can help by donating to any of the teams or team members at our website: [Donate Here!](#)

WHAT: Relay for Life (Canadian Cancer Society Fundraiser)

WHERE: Senior School Fields

WHEN: Friday, April 26th, 2:00 pm – 10:00 pm

We would love to see anyone who is able to come join in the fun, and the fight, even for a short period of time. As well, we would like to invite all those who have fought cancer to be honored as a survivor at our event. Please email me if you would like to join in the Survivor lap. We would be honored to have you in attendance.

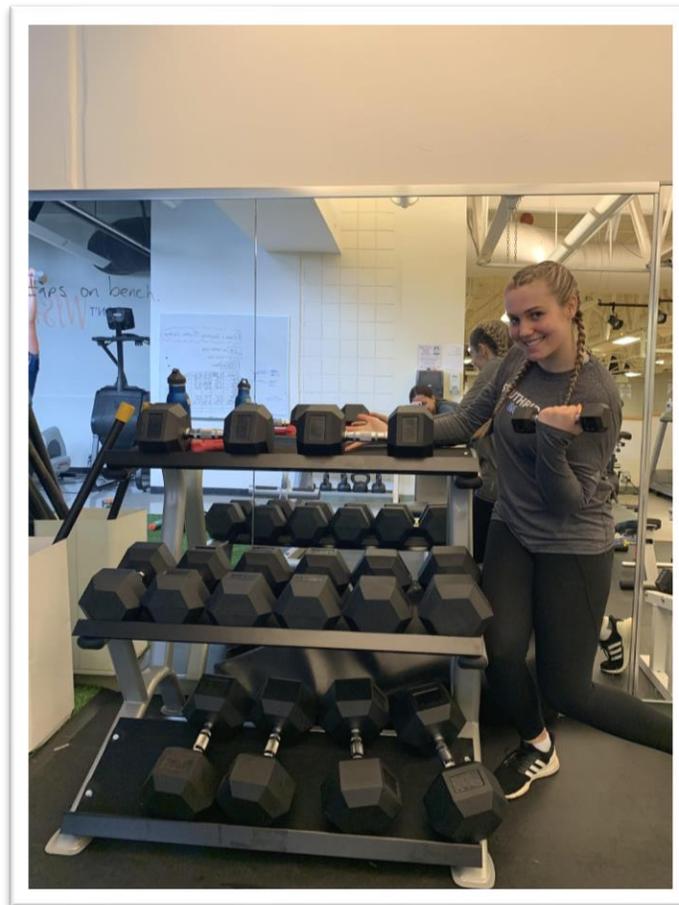

Also, if you have any questions about the event don't hesitate to contact me at: [jasanghe@southridge.bc.ca](mailto:jasanghe@southridge.bc.ca)

## **Guatemala Service Trip**

Signing up for the trip just under a year ago I was very unsure of what to expect but I knew that no matter what it was going to be a life changing experience. To say life changing is truly an understatement to describe my idea of the Guatemala Service Trip that I had the privilege of participating in.

First off we started meeting bright and early 5:00 am on March 17 at YVR as 21 students ready to experience a contrasting lifestyle compared to our usual routine at home! After a layover in Mexico City we finally landed in Guatemala . . .10 hours later! Settling in at Hotel Barcelo right next to the airport ready for a full day of travelling the next morning.

After a short bus ride to Tecpan we arrived at Project Somos! We spent 4 days at the project with the children from the village that attended the elementary school at Project Somos. I was unsure of what to expect for my time at the project but truly eager to meet the children. Seeing the welcoming greetings from the kids made my heart smile as they create so much love around them no matter what background they come from.

Every single child said hi with a smile and a hug and attempted to engage ignoring the large language barrier. Seeing little things that we take for granted such as eating snacks or riding a bike bring the kids so much joy was eye opening as it truly made me reflect on the endless privilege and opportunity I'm given everyday. Everyday, 8-4 we spent time teaching english classes, baking and even gardening. These kids are taught about the importance of nutrition from a young age which really amazed me as they seemed to truly understand how to live a healthy lifestyle.

A big takeaway from the project was a little girl named Sofia who stole my heart with her smile and loving charisma and appreciation for everything she has. After learning my name she proceeded to show me how she washes her hands, back home we take little things such as this for granted and don't think twice about it. Sofia looked up at me smiling ear to ear, laughing uncontrollably so carelessly full with joy.

After an incredible and eye - opening time at the project it was time to say goodbye. The final goodbye was genuinely heart breaking as every single one of these kids had a special place in my heart. Leaving Project Somos with tear filled eyes we headed off for a quick boat ride to San Pedro to tour the area.

Spending one night travelling around to the local market we headed back to then travel to Antigua. Our final nights were spent in Antigua which is filled with beautiful and kind people was a fantastic way to end the trip.

Looking back on the trip it truly did change how I look at everyday tasks and appreciate how privileged we are. These kids all left a mark on my heart with their amazing and loving souls that I will never forget. I would recommend this to ANYONE as it did impact my life and surely will impact yours as well.

## Cracking the Code – the U.S. College Admission Process

### Guest Speaker: Peter Van Buskirk

The University Counselling Centre is pleased to announce that Mr. Peter Van Buskirk is returning to Southridge to share his knowledge and expertise about the US college admission process.

Date: Thursday, April 25  
Time: 7:00 pm  
Place: Junior School Great Hall

An industry analyst, thought leader, and student advocate, Peter cuts insightfully through conventional rhetoric and hyperbole to promote a healthy, student-centered, college-going process for families of all backgrounds.

His experiences as a recruiter and evaluator of talent, admission strategist, director of athletics, and executive officer in the office of the provost position him uniquely to share a truly holistic perspective on college planning with families. Now, an author, in-demand motivational speaker and workshop leader, Peter founded Best College Fit as a means of bringing transparency to the college admission process and helping students position themselves to achieve their educational goals. He has presented his creative programming to more than 2,000 audiences worldwide.

Peter spent more than 25 years in selective college admission including twelve as Dean of Admission at Franklin & Marshall College before joining Peterson's where he served as Vice President for College Planning Solutions. He attended Harvard's Management Development Program and is a 40-year member of the National Association of College Admission Counseling. <https://www.bestcollegefit.com/>

### Country Fair Sponsorship

Sponsoring the Country Fair is an easy way to make a donation to Southridge and help make the following three projects a reality! With your generosity, we will be able to purchase:

- A laser-cutter for our Senior School Design Lab
- A 3D printer for our Senior School Design Lab
- A set of Chromebooks for our Junior School students

Country Fair sponsorships help us reach our financial goals for the event. Event revenue can fluctuate a lot depending on the weather, how many items are dropped off, attendees, etc. **Your sponsorship dollars, however, go right to supporting the purchase of these items.** Plus, you will receive a charitable tax receipt for your gift!

So please consider [sponsoring the Country Fair](#) with a \$150, \$250 or \$500 donation. We will recognize your generosity on the Country Fair website, in a follow-up article in *The Wednesday*, on signage at the fair and in our 2018-19 Annual Report.

Thanks, in advance, for your generous support!

Lauren and Cathie in 2018

## Bake Sale Inspiration: Cathie's Scottish Shortbread

"Do you have any of the Scottish shortbread in the tins?" This is a request heard every year from customers at the Country Fair Bake Sale. They are referring to Cathie Miller's outstandingly delicious shortbread packed in the distinctive tartan tins. This shortbread has been sold at the Southridge Country Fair Bake Sale every year since 2004, and it is a special family recipe made by alumni Lauren Andrew's beloved Nana, Cathie.

"This recipe was taught to me many years ago by a Scottish baker who was visiting Canada," says Cathie. "He tested a lot of different Canadian flours and found that the best one for traditional Scottish shortbread is 'Robin Hood Blending Flour'. This is the secret."

Lauren graduated from Southridge in 2016, but Cathie continued making her shortbread for the Country Fair each year anyway. 2018 however was her swan song. Luckily, Cathie has agreed to share the recipe with us so that it may continue as a Bake Sale tradition. Please consider making it as your Bake Sale contribution if you are so inclined! Our customers will thank you!

## **The Country Fair Café Goes Local**

Every year, the Country Fair is home to a small eatery called the 'Southridge Café'. It is located in Ms. Kooner's Grade 1 classroom. This year, the Café's Department Heads are trying something new and local.

Our very own Chef Gary and his team at Sage Dining will be whipping up all the tasty treats for this year's fair! From fresh, in-house baked goods, like Chive and Cheddar Scones, to warm cinnamon buns, plus lighter options such as fruit and granola cups and bento-like boxes with pretzels, cheese and grapes, the Southridge Café will be serving up nibbles for every age group. For the younger palette, the kiddies will surely enjoy Chef Gary's specialty Sugar Cookies with Smarties!!!

The Southridge Café promises something for everyone. Please stop in and visit us on May 4!

## Summer at Southridge – Registration Now Open!

Notes

[SUBMIT OPPORTUNITY RESPONSE](#) [CANCEL](#)

The system will summarize the opportunities you have selected and may give you the option of adding it to your google calendar (only if you selected a specific shift).

**Please do NOT share**

You will also be asked to 'Share' this information on social media. This is an automatic feature of the Galaxy system that we cannot turn off. Please **do not** share your volunteering on social media. We really don't want your friends, neighbours or second cousins signing up to serve hot lunch\*.

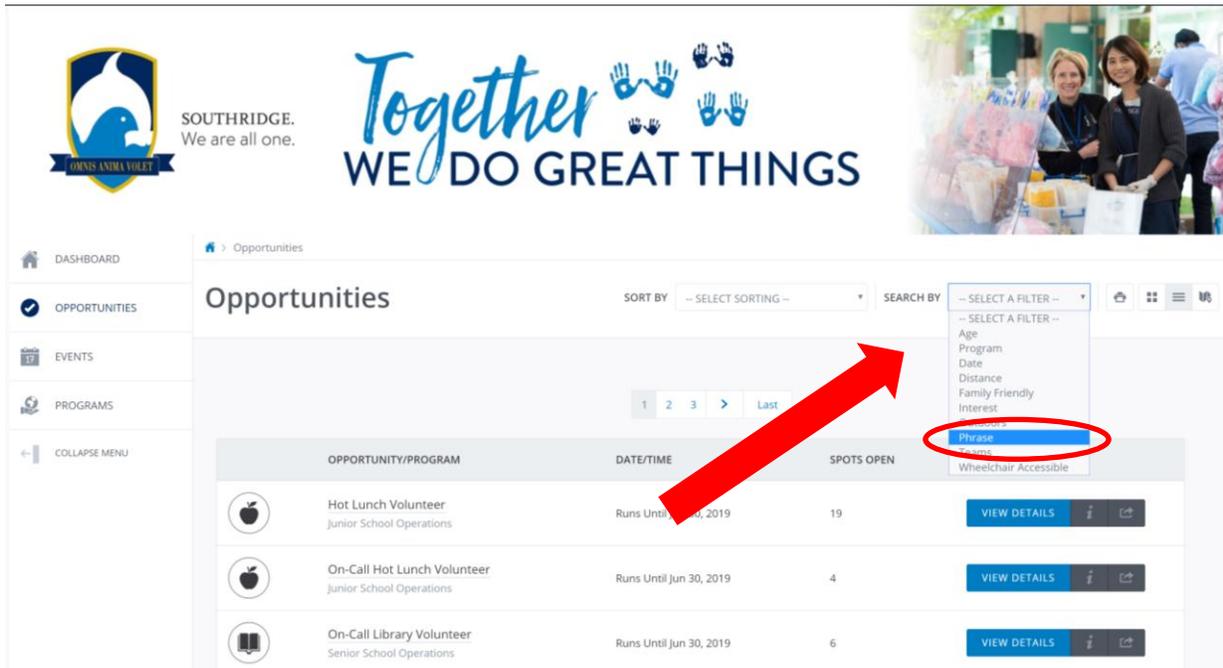

If you have any questions, please contact Kate Lucas at [klucas@southeridge.bc.ca](mailto:klucas@southeridge.bc.ca) or by phone at 604-542-2303.

\*Of course, if a non-parent does sign-up, we won't actually allow them to serve hot lunch. ☺

# Volunteering at Southridge – Looking up volunteer opportunities

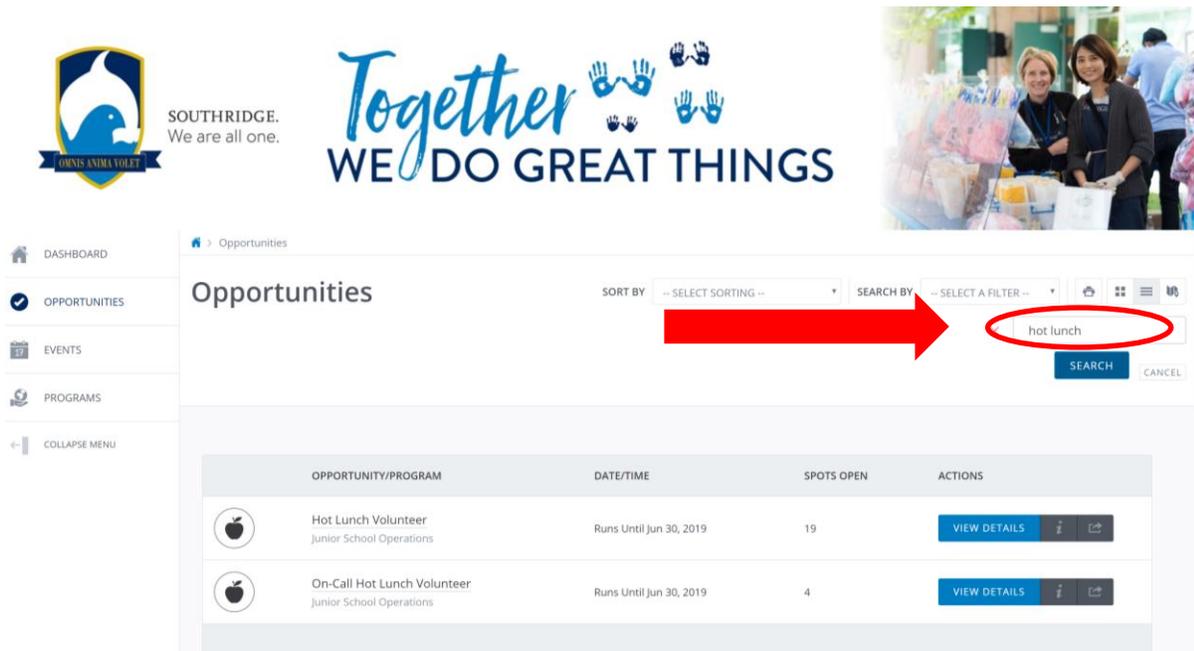

## STEP 1:

After creating an account and logging in (<https://southridgebc.galaxydigital.com>), click on 'Opportunities'. You can search for a specific opportunity like "hot lunch" or "playground" by selecting 'Phrase' in the 'Search By' list. Type in the key word(s) and any opportunity that includes that word will appear.

The screenshot shows the Southridge Opportunities page. At the top, there is a banner with the Southridge logo and the text "Together WE DO GREAT THINGS". Below the banner is a navigation menu with options: DASHBOARD, OPPORTUNITIES, EVENTS, PROGRAMS, and COLLAPSE MENU. The main content area is titled "Opportunities" and features a search bar with a dropdown menu. The dropdown menu is open, showing various filter options: "Phrase", "Age", "Program", "Date", "Distance", "Family Friendly", "Interest", "Seasons", and "Wheelchair Accessible". A red arrow points to the "Phrase" option, which is highlighted in blue. Below the search bar is a table of opportunities:

OPPORTUNITY/PROGRAM	DATE/TIME	SPOTS OPEN	ACTIONS

# Volunteering at Southridge – Modifying your volunteer schedule

## STEP 1:

Galaxy has a great calendar feature that you can use to confirm or change your volunteer schedule. To access your calendar, click on your profile photo (or initials) on the top right corner, then select 'Volunteer Schedule' from the drop-down menu.

The screenshot shows the 'Volunteer Schedule' page for September 2018. The calendar grid shows the following entries:

SUN	MON	TUE	WED	THU	FRI	SAT
						1
2	3	4	5	6	7	8
9	10	11	12	13	14	15
16	17 Senior School Library	18	19	20	21	22
23	24	25	26	27	28 Senior School Library	29
30						

## STEP 2:

From the calendar view, click on a shift (in blue writing with a green check mark). If you don't see any writing in the calendar, you haven't signed up for anything yet for that month. On the next page, click on the green button, 'MANAGE MY RESPONSES'.

The screenshot shows the 'Senior School Library' opportunity page. The page includes the Southridge logo, the slogan 'Together WE DO GREAT THINGS', and a description of the opportunity. A red circle highlights the 'MANAGE MY RESPONSES' button in the top right corner.

### STEP 3:

Un-check green check marks to remove specific shift(s) from your schedule.
