JUNIOR PROGRAM

## 2019-20

The Rowmark Junior Program serves Rowland Hall student's ages 9-13 (third through eighth grade). Our athletic development pipeline includes 3 team options, offering a natural progression of increased commitment and focus on competition as skills improve. The Rowmark Junior Program schedule is built around Rowland Hall's academic curriculum. Harmony between the two schedules allows skiers to pursue both academic and ski racing goals.

### **Mission Statement:**

- a) Rowmark Junior Program has been developed for skiers who are enthusiastic about skiing and want to learn a basic introduction to alpine ski racing.
- b) Rowmark Junior Program is an extension of the Rowland Hall values as we foster ski racing development and a lifelong appreciation for alpine skiing.
- c) Rowmark Junior Program is designed to provide an effective learning environment, which allows every student/athlete to reach their highest potential.
