### How did you learn of our program?

- School counselor, Teacher, Administrator
- Brewster student or graduate
- Brewster website
- Referred by relative or friend
- Educational Consultant
- Summer Camp Referral service
- Summer School/Camp Fair
- Other, please explain: \_\_\_\_\_

Is there anything about the sequence of the applicant's schooling that we should know? Did the student skip or repeat a year? Was the student ever asked to withdraw from any school, suspended, or put on probation? If you answered yes to any of these questions, please share the experience here. Were there particular things the family or the student learned, gained, or changed as a result of that experience?

The information provided in this application and in the supporting materials are complete, accurate, and true to the best of my knowledge, I understand that furnishing false or incomplete information may result in the revocation of admission.
