Dear Parents and Students,

Our on-line book distributor, MBS Direct, provides a used book buyback service. The School Store will be accepting buyback books for students on the dates and times listed above.

Please see the necessary steps below to obtain a buyback quote which is required to return your books:

- You can create a quote by going directly to www.mbsdirect.net.
- **This quote can be generated immediately, but once printed the quote is only good for 30 days. The earlier you generate the quote, the better your buy back price.**
- Please enter your email and password to log in and obtain your quote. Every book that was purchased from MBS last year will automatically come up with a buyback price. If you do not remember your log in information please call MBS customer service at 800.325.3252 to obtain it. This is extremely important, for you will receive a better buyback price due to customer loyalty to MBS. Once the quote has been generated, it must be finalized and printed out.
- To finalize this process, you must accept the terms and conditions, click on **'finalize my buyback quote'** and **print out 2 copies**.
- If you have forgotten to add a book or would like a buyback quote from MBS Direct on books not purchased from them, you will still be able to generate an additional quote.
- We will send the books back to MBS Direct with your quote and MBS will mail you a check directly, in approximately 3 weeks, for the books accepted.
- The MBS book buy back is only located outside the school store.

Remember if you have any problems generating a quote please call MBS customer service at 800.325.3252.

No books will be accepted on buyback day without a printed copy of the finalized quote from MBS Direct.

Note: MBS will not buy back books with excessive damage, which includes:

- Stains of any sort
- Disfigurement due to water/fluid exposure
- Missing, torn or loose pages/cover
- Excessive writing, marking or highlighting
- Broken spine/binding
