Please help your student learn your phone number

Please help your child memorize his/her phone number. This helps during busy office times when multiple students are trying to call home. It's also a safety measure for students to know their parents' phone number. Thank you!

Student Comment of The Week

A group of sixth grade students stayed after school on Friday. As they watched our soon-to-be kindergarten students arrive for Kindergarten Round-up, one of them said, "Those were the days." I asked him what he meant by that. He said, "The days when literally EVERYONE thought I was SO cute."

Technology at Snow Horse is used to ENHANCE learning, not replace existing best practices that includes teacher instruction.

D - DELIBERATE: Teachers carefully select the best digital resources to enhance and personalize student learning. They carefully plan how and when to insert technology into their instruction.

R– REGULATED: Teachers carefully regulate the amount of time students spend on a digital devices to ensure a balance with peer interaction and whole group instruction.

I– INNOVATIVE: Technology is creatively used to promote engagement and check for levels of understanding from ALL students. It provides teachers with immediate feedback regarding student understanding and progress. Among the others uses are—group problem solving and authentic writing practice. Mobile laptop labs provide writing practice that mirrors real-life writing.

P– PERSONALIZED: Quality adaptive software frees up teachers to target individual needs of students in a small group setting, while other students receive meaningful, personalized practice through adaptive software.

Traditionally, all students worked on the same practice page at the same time and pace. Adaptive (personalized) software, when appropriate, replaces worksheet practice and offers immediate feedback to students and teachers.

Snow Horse Elementary Social Media Accounts

We have new social media accounts this year that are designed to share reminders, great things happening in our school, as well as helpful articles on parenting and community resources. We would love to have you like and follow us! You can either click the social media buttons at the bottom of our school website, or get to our Snow Horse Elementary accounts with these links:

Drop-Off Pick Up Procedures Video

Please take a moment to review this video on our school website. It's a quick instructional video on how to keep students safe and the flow of traffic moving during drop off/pick up times. Thank You!

Change Your Words, Change your Mindset—Snow Horse Students Have a Growth Mindset.

School-wide we've been focusing on growth mindset. Here are some phrases that students hear at school and are also helpful to use at home.

Instead of "This is too hard." - "This may take some time and effort"

Instead of "I'm not good at this." - "What am I missing?"

Instead of "I'll never be as smart as her." - "I'm going to figure out what she does and try it."
