Presentation
Crime Victim Center of Chester County
Joe Myers- Prevention Educator

- Victims of sexual assault were found that they were not provided the proper legal and emotional support through healing, which is how this company was created
- Engage people in creating healthier environments
- Students- classroom - Joe will be here for Lunch and Learn topic and has already been part of the Health Curriculum
- Our school developed a partnership with Joe a couple years ago
- 1.5 million teens deal with social, emotional and/or physical experience violence
- Teens- violence is learned and can be unlearned
- Prevention standpoint- must engage the entire community- parents, kids, teachers,
- School is and will continue to be actively involved and has a great partnership with this agency
- Each person can be a huge influencer- communicate with others
- Abuse is about power and control- not respecting a person's boundaries
- Good friends don't hurt each other
- How do I feel confident enough to say NO?
- How do I break up with someone?
- No One should talk about your body in ways that is inappropriate and disrespectful
- Do not send images
- Conversations often
- Everybody doing a little bit can get a lot done...
- Audrey and Daisy- Netflix documentary
