Celebrating Mrs. Raber, our First Lifer Teacher to Retire

Most of our families are aware of how Southridge started close to 25 years ago. They know, for example, that there were a few key parent volunteers who worked tirelessly to find a suitable property, get rezoning approval from the City of Surrey, and build our original facility. They probably know, too, that every parent volunteered their time to help keep operating costs low so that limited financial resources could be directed to student programming. They also know that Mr. Alan Brown, our founding Head of School, was instrumental in developing the enduring values and culture of a school we appreciate so much today. However, what is often less known – and even less celebrated – are the contributions our founding teachers made in the early years of our school's history.

We affectionately refer to the teachers who have been at Southridge since it first opened its doors in September 1995 as “lifer” teachers. There are three of them with us today – Mrs. Raber (Grade 1), Mrs. Ridley-Thomas (Kindergarten) and Mr. Burrage (Senior School Music). These people joined Mr. Brown and only a handful of other educators to help plant the seeds for something very special, and they started from literally nothing – even waiting a full year to begin their anticipated programs after learning the school was not able to open as originally planned in September of 1994.

Working without the benefit of many of the resources our teachers and students enjoy today, our founding teachers worked tirelessly to not only create educational programs but also establish culture, implement traditions, and figure out how to function as a new school. Even in those early days, expectations were high but our founding teachers always strove to meet and exceed them.

When Mrs. Raber began teaching at Southridge there were only a dozen teachers and 181 students. Right from the get-go, Mrs. Raber was the coordinator of the Primary Division (long before it became the PYP Division), which was comprised of 4 teachers (one in each of Kindergarten to Grade 3) and about 80 students. If there is one thing for sure about Mrs. Raber it's her passion for education, especially as it relates to the younger students in our school.

In fact, when I first arrived at Southridge in the fall of 1997, there was a particularly heated conversation in the staff room between Mrs. Raber and Mr. Hinnell, the Head of our Senior School at the time. Even though I don't remember the details of their exchange other than

it being about Primary students needing to be considered more carefully when directing resources for educational programming, I vividly remember the feeling I had when I realized I was the only other person in the room. After catching my breath when I managed to escape the fireworks, I thought to myself, "Wow! Southridge is one very passionate place!"

I can hardly believe it has been 24 years since Mrs. Raber joined Southridge (!), and as the first lifer teacher to retire from our school we are looking forward to celebrating her time with us at a special event on Thursday, June 6 from 6:00 – 9:00 pm in the Junior School Great Hall. I hope you will be able to stop by (at least for a few minutes) to hear more stories about Mrs. Raber and celebrate with us! [Click here to RSVP.](#)

Have a wonderful week!

Southridge Ultimate Successful Start to the Season

The Grade 5-7 Ultimate team travelled to Winona Park in Vancouver on April 17th for the start to the Ultimate Frisbee Season. We had two teams from Grade 5/6 and one Grade 7 team competing that day.

This was our first try at this new and fast growing sport so we were all very excited to get going. One of the Grade 5/6 teams had an amazing day finishing 3-0 defeating Stratford Hall 1-0, Fraser Academy 4-1 and Urban Academy 11-1.

The other 5/6 team had a great day as well finishing with a record of 2-1. The Grade 7 team played three Stratford Hall teams and defeated them 4-3, 5-1 and took one loss 1-4. Our next match is here at Southridge on Wednesday, May 24th. Great work Storm!!!

Southridge Student 1 of Only 20 in Canadian Geographic Challenge – National Final

For the past 15 years, the Social Studies Department has conducted the Canadian Geographic Challenge (The Geo-Challenge™) with our students. The first round involves an extremely difficult geography test that all students at Southridge from Grades 8 to 10 take each year. From that test, the top 10 in the school compete for the School Championship round and then our school champion goes on to the Provincial Challenge against the other top geography students from across British Columbia.

This year something special has happened – one of our students, for the very first time, has made it to the National Final. Keith Christofferson is only one of twenty students from all across Canada who will compete in the National Final in Ottawa, our nation's capital city from May 25-27.

We would like to congratulate Keith for this amazing accomplishment and we all wish him the best as he competes in the National Final in May. Way to go, Keith!

AUWH (Auditions with Coffee House)

Café Concerto is right around the corner! This means that AUWH (Auditions with Coffee House) is here again on May 8th at 7:00 pm at the Great Hall. If you are interested in auditioning, there will be a sign-up sheet posted outside of room 102; there will also be an online document emailed to you for convenience. Please include the title of the piece, the performers, and what tech/instruments you will be using (including mics).

Select performers will have the opportunity to perform their piece during Café Concerto on the 28th and 29th of May, so mark your calendars! The auditions, as it has been every year, will be open to any audience who wishes to come, allowing all musicians to perform in front of an audience. Please invite your family and friends to AUWH to enjoy an evening of music! Light refreshments will also be available - if a night of good music isn't a strong enough incentive.

Good luck to everyone who wishes to participate, and we hope to see you there!

Your music stewards, Nicole Elliott and Ryan Cho

4th Annual Canadian Cancer Society Relay for Life at Southridge!

This year's Relay for Life is extremely important, especially to the class of 2019.

When this event was premiered at Southridge in 2016 it was originally run by alumni *Justin Sanghe*, who at the 2017 event passed the baton to his younger brother *Jaden Sanghe*. As a member of the class of 2019 it means this will be his final year running the event alongside his committee composed of committed Grade 11 and 12 students.

We, the students of the Senior School will be hosting the 4th annual Relay for Life. Throughout the first three years of the Relay for Life we have made a massive impact, raising over \$250,000 to help send kids, and their families to Camp Goodtimes as well offering funding to help support pediatric cancer research. For those unaware, Camp Goodtimes offers patients and their families, the chance to have some fun and live a carefree life, things normally out of their reach because of rigorous treatment.

This is all thanks to the generous support from parents, teachers and the community. Although we are a small school, the contributions from all supporters of the event have made us the fifth most successful high school relay in Canada. So we would like to ask you to join us in the fight against cancer and help us support even more kids this year! You can help by donating to any of the teams or team members at our website: [Donate Here!](#)

WHAT: Relay for Life (Canadian Cancer Society Fundraiser)

WHERE: Senior School Fields

WHEN: Friday, April 26th, 2:00 pm – 10:00 pm

We would love to see anyone who is able to come join in the fun, and the fight, even for a short period of time. As well, we would like to invite all those who have fought cancer to be honored as a survivor at our event. Please email me if you would like to join in the Survivor lap. We would be honored to have you in attendance.

Also, if you have any questions about the event don't hesitate to contact me at: jasanghe@southridge.bc.ca

One Act Play Festival

One-Act plays are a compelling genre because they are often a slice of life - one short moment in time, that is dialed in to the specifically spectacular. I find this structure not only riveting and exciting, but also very accessible for young theatre practitioners.

With only 4 weeks to pull together these shows, our directors have been ultra focussed in rehearsal, and I invite you to come out to see the end result on May 1 and 2 in the Black Box Theatre. Entrance is by donation at the door towards Youth in BC, an on-line chat-line that focuses on the mental health and wellness of youth.

The plays in our festival will be formally adjudicated by a professional actor, voice coach and producer, and then two plays will be selected to represent Southridge at the VISTA One Act play festival at St. Georges, later in May. Due to limited seating, please email me ahead of time with your requests to avoid disappointment at smacgregor@southridge.bc.ca.

Café Concerto (*Shadow Lead*)

We are looking for a Shadow Lead to help organize this year's Café Concerto during the last week of May—the Shadow Lead will assume the Lead role next year. The Café Concerto spring concert is always an amazing showcase of Senior School student musical talent. Volunteers set up the Alan Brown Great Hall, decorate, prepare food and beverages, serve, and clean-up after this two-night event. This is a great opportunity to meet other Senior School parents and enjoy the beautiful ensemble and band performances!

If you are interested, please email volunteer@southeridge.bc.ca.

Thinking About Summer Program Experiences at Universities?

This is the time to review summer program options that are offered at colleges and universities. Some examples are:

- Oxbridge Summer Programs <https://oxbridgeprograms.com/>
- McGill Summer Academy www.mcgill.ca/summeracademy
- Cornell University Summer College www.summercollege.cornell.edu
- Johns Hopkins Summer Pre-College <https://www.jhu.edu/academics/summer-programs/>
- University of Toronto Summer Youth Program <http://ysp.utoronto.ca/>
- King's College, London <https://www.kcl.ac.uk/study/summer>

This is a sample list – there are many universities that open their campuses in the summer for high school students to experience lectures and life in a post-secondary program.

Exam Dates in June

Reminder: All senior school students will be writing exams from June 7 - June 13. Please put these important dates in your calendar.

Cracking the Code – the U.S. College Admission Process

The University Counselling Centre is pleased to announce that Mr. Peter Van Buskirk is returning to Southridge to share his knowledge and expertise about the US college admission process.

Date: Thursday, April 25
Time: 7:00 pm

An industry analyst, thought leader, and student advocate, Peter cuts insightfully through conventional rhetoric and hyperbole to promote a healthy, student-centered, college-going process for families of all backgrounds.

Now, an author, in-demand motivational speaker and workshop leader, Peter founded Best College Fit as a means of bringing transparency to the college admission process and helping students position themselves to achieve their educational goals. He has presented his creative programming to more than 2,000 audiences worldwide.

Peter spent more than 25 years in selective college admission including twelve as Dean of Admission at Franklin & Marshall College before joining Peterson's where he served as Vice President for College Planning Solutions. NEW: Country Fair 'Dream Summer' Raffle!

For many, each year the Country Fair sparks a feeling of change from Spring to Summer. The festival-like atmosphere, the rides, the fun, the food and the sun (knock on wood) – all raise the anticipation of a care-free, long summer day. This year, we are adding a new element into the mix to help people start dreaming about summer a little stronger... the **Southridge Country Fair Dream Summer Raffle!**

Imagine spending a week away from South Surrey at a luxury cottage at Cultus Lake, where you and your family spend your days swimming in heated pools, relaxing in hot tubs, riding down seemingly endless trails, taking a dip in the lake, having a picnic by the shore and enjoying fun and games in a community built like a resort (tennis courts, ball hockey, play grounds, private pond, etc.). Just down the road is golfing, waterslides, amusement parks, restaurants and unforgettable ice cream. Then, spending your

evenings in a two bedroom plus loft cottage fit for a home, with comfortable beds, master bedroom fire place, private outdoor fire patio, high speed internet, TVs and all the amenities you would desire. Topping it all off, you arrive to find a welcome basket with some lovely BC wines, everything you need for s'mores and a few local surprises. If this has you excited, you share our feelings about **this year's grand prize** donated by one of our kindie families – **the ultimate summer Cultus getaway (valued at over \$3000)**.

If a cottage getaway isn't your speed, perhaps a relaxing day by the beach playing music is your idea of a perfect summer afternoon. Our **second place prize is a high end acoustic guitar and starter lessons** donated by Tom Lee Music arranged by the Son family. For musicians or those wishing to be, this prize will certainly help make your summer more musical and leave lasting memories for you and your family.

If these haven't peaked your interest, then think about what you would do with our **3rd place prize**... the Southridge Summer Dine-Out Package which includes **\$500 in gift certificates to some of the best local restaurants**.

Before starting a lovely summer day, perhaps consider swinging by Mink Chocolates and Café for a tasty treat and coffee, made perfect with a \$50 gift card they have supplied, courtesy of the Mann family. But what about lunch at Cactus Club... need we say more? Also arranged by the Mann family, they have graciously put forward a \$100 gift card as part of the Summer Dine-Out package. Their trademark lettuce wraps, or a perfect pitcher of red sangria make for a memorable lunch on a hot summer day.

But what about dinner... Uli's Restaurant, right next to the White Rock pier, is a landmark for locals and features arguably the best hamburgers in existence and a menu that would satisfy the most discerning of foodies. Enjoying local craft beers, handcrafted cocktails or a nice bottle of wine while watching the sun set into the Pacific, Uli's patio is beyond comparison and they have graciously donated \$300 towards your dining experience there.

If these aren't reason enough to join in on the raffle, there will also be a series of instant prizes given away during the Country Fair throughout the day. Gift certificates to Amazon, a local hair dresser and many more, will all be given to the lucky winners as draws are announced.

Raffle tickets cost \$10 each or three for \$20 and will be sold throughout the day at the Country Fair. Only 1,200 tickets will be sold, so your odds of winning are some of the best you will ever see. Good luck, and hope the raffle helps make your summer the most memorable ever!

See you at the Fair!

Reminder: Your Country Fair Baking!

Please request your bake sale packaging ASAP for pick-up at the school next week! As in previous years, **each Southridge family is asked to provide three homemade items to sell**. For complete info, visit the [Bake Table webpage](#).

No time to bake? Donate to the Mother's Little Helper program! Our Mother's Little Helper committee will bake, wrap and deliver your contribution of three baked goods to the Bake Table! Please attach a cheque with your donation of a minimum of \$35 payable to Southridge School and drop it in the labelled box at the reception of either school. [Forms are available online](#) or at Senior and Junior School Reception.

Thank you so much for your amazing support!

We’ve already sold quite a few foursomes and this tournament sold out early last year, so don’t wait too long to register. There are prizes (including best dressed team!), lots of on-course games, food and fun!

Of course, **if you’re not a golfer, there are other ways to get involved**. You can attend the dinner and dance portion of the event ([tickets are \\$75](#) and are limited), you can [volunteer](#) (anyone who volunteers on a hole all day gets a complimentary dinner and dance ticket!) or you can [sponsor](#) the tournament!

The Golf Classic is the last fundraising event of the year and raised \$65,000 in 2018! This year, we are raising money to purchase a **new volleyball net system** for our Senior School Gymnasium as well as **new athletics uniforms for our student athletes**.

We hope you will help us make this tournament one of the best yet! For more information, visit the [Golf Classic website](#).

CRACKING THE CODE

A customized presentation of the US college/university admission process for international students

Thursday, April 25th, 2019

at 7:00 PM (PST)

Southridge School, 2656 160th Street, Surrey, BC

Featuring

Peter Van Buskirk

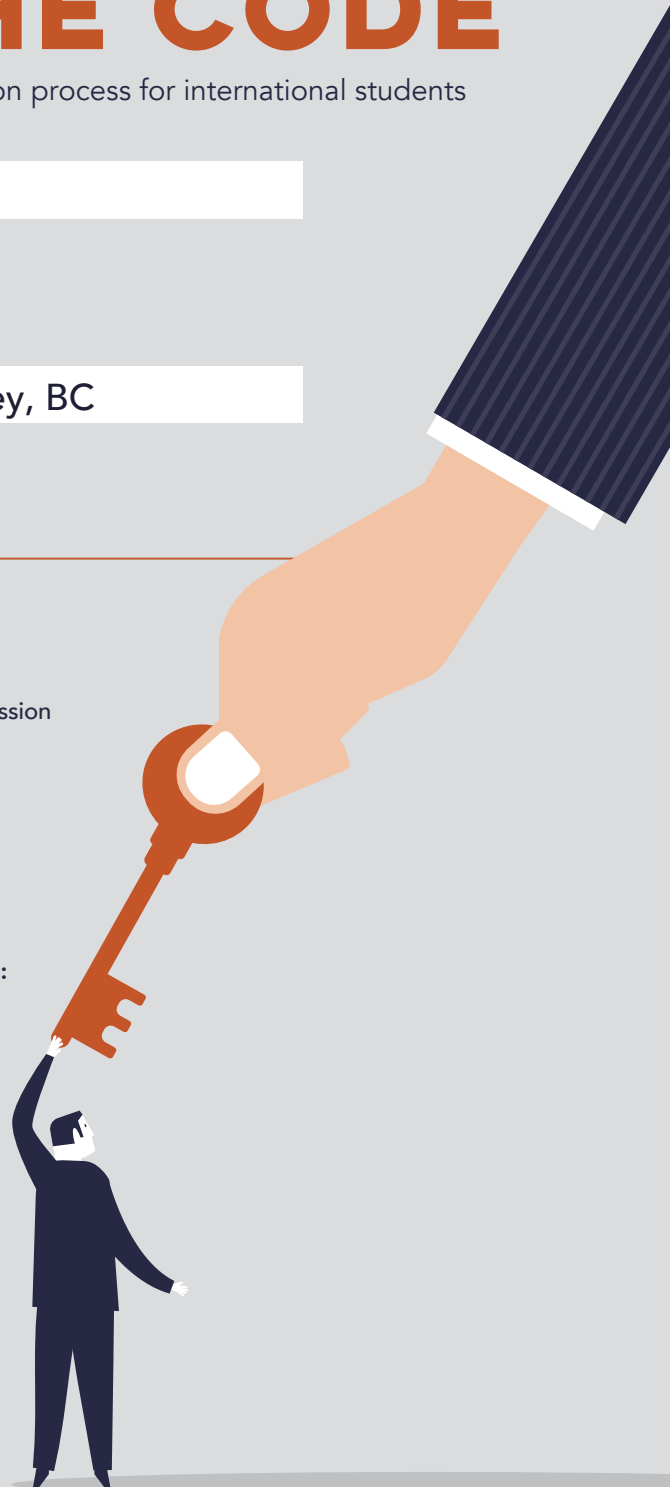

Author, Motivational Speaker and Former Dean of Admission

Featured: The Wall Street Journal, The Los Angeles Times, USA Today, Family Circle, and "Oprah and Friends" with Jean Chatzky

"Cracking the Code" puts US-bound students in a better position to prepare & compete for success as applicants. In particular, the presentation:

- Differentiates between educational options (college vs university)
- Debunks rankings (at least, put them in perspective!)
- Focuses on student-centeredness and finding "fit"
- Examines the role of ROI and the need to project "value" as an applicant
- Provides insight into contextual admission reviews (relevance of IB, AP)
- Reveals the importance of "connecting the dots" in the holistic admission
- Discusses the implications of pending (affirmative action) court actions

[SUBMIT OPPORTUNITY RESPONSE](#) [CANCEL](#)

The system will summarize the opportunities you have selected and may give you the option of adding it to your google calendar (only if you selected a specific shift).

Please do NOT share

You will also be asked to 'Share' this information on social media. This is an automatic feature of the Galaxy system that we cannot turn off. Please **do not** share your volunteering on social media. We really don't want your friends, neighbours or second cousins signing up to serve hot lunch*.

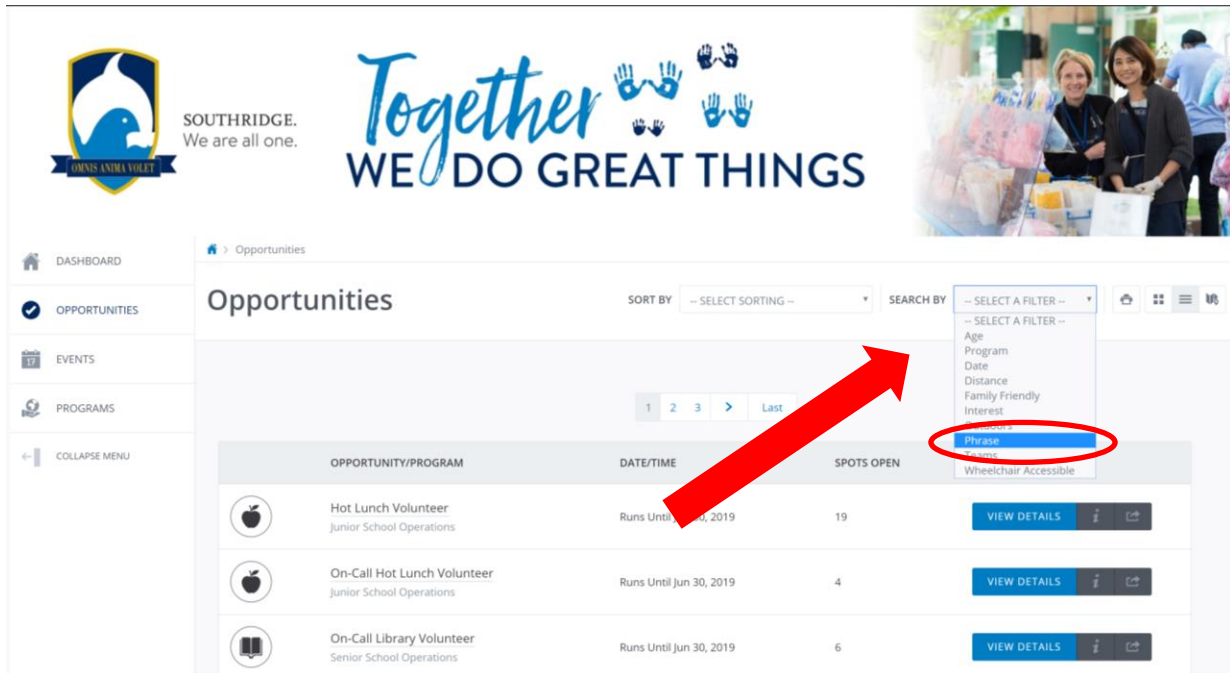

If you have any questions, please contact Kate Lucas at klucas@southeridge.bc.ca or by phone at 604-542-2303.

*Of course, if a non-parent does sign-up, we won't actually allow them to serve hot lunch. ☺

Volunteering at Southridge – Looking up volunteer opportunities

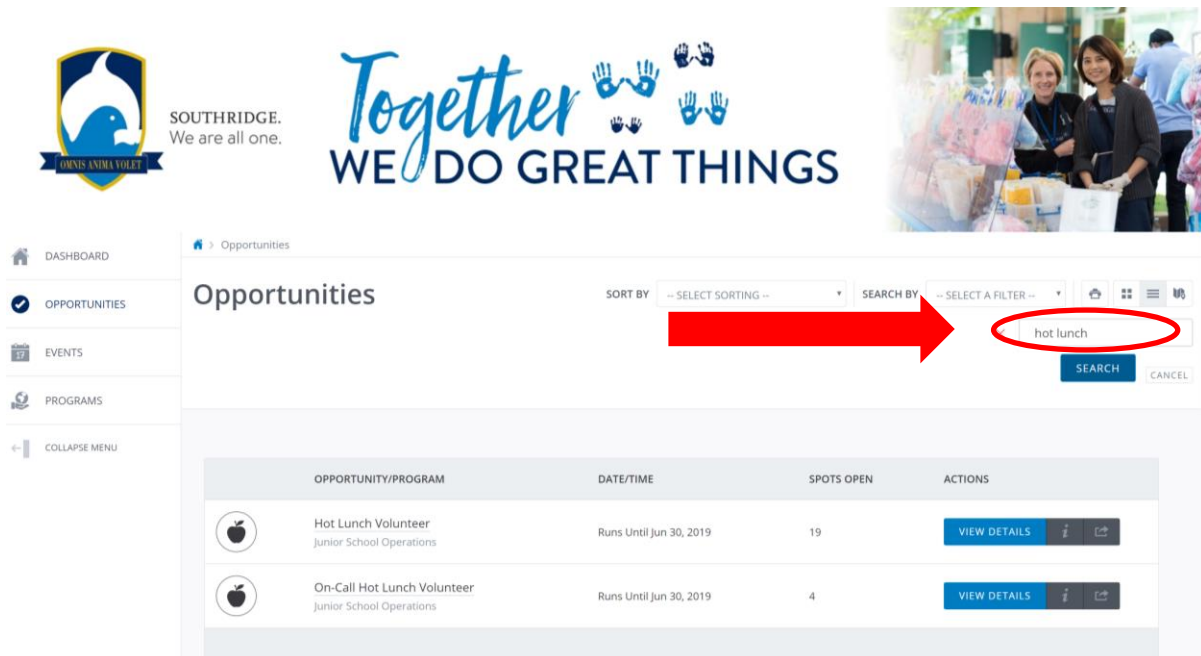

STEP 1:

After creating an account and logging in (<https://southridgebc.galaxydigital.com>), click on 'Opportunities'. You can search for a specific opportunity like "hot lunch" or "playground" by selecting 'Phrase' in the 'Search By' list. Type in the key word(s) and any opportunity that includes that word will appear.

The screenshot shows the Southridge Opportunities page. At the top, there is a banner with the Southridge logo and the text "SOUTHBRIDGE. We are all one. Together WE DO GREAT THINGS". Below the banner is a navigation menu with options: DASHBOARD, OPPORTUNITIES, EVENTS, PROGRAMS, and COLLAPSE MENU. The main content area is titled "Opportunities" and features a table of volunteer opportunities. A search filter dropdown menu is open, showing options: -- SELECT A FILTER --, Age, Program, Date, Distance, Family Friendly, Interest, and Phrase (highlighted with a red circle). A red arrow points from the search filter dropdown to the search input field.

OPPORTUNITY/PROGRAM	DATE/TIME	SPOTS OPEN	ACTIONS

 On-Call Hot Lunch Volunteer Junior School Operations	Runs Until Jun 30, 2019	4	VIEW DETAILS i +
 On-Call Library Volunteer Senior School Operations	Runs Until Jun 30, 2019	6	VIEW DETAILS i +

The screenshot shows the Southridge Opportunities page with a search for "hot lunch". The search filter dropdown menu is closed, and the search input field contains the text "hot lunch". A red arrow points from the search input field to the search button. The table below shows the results of the search.

OPPORTUNITY/PROGRAM	DATE/TIME	SPOTS OPEN	ACTIONS

 On-Call Hot Lunch Volunteer Junior School Operations	Runs Until Jun 30, 2019	4	VIEW DETAILS i +

Volunteering at Southridge – Modifying your volunteer schedule

STEP 1:

Galaxy has a great calendar feature that you can use to confirm or change your volunteer schedule. To access your calendar, click on your profile photo (or initials) on the top right corner, then select 'Volunteer Schedule' from the drop-down menu.

The screenshot shows the 'Volunteer Schedule' page for September 2018. The calendar grid shows dates from Sunday to Saturday. A shift for 'Senior School Library' is listed on Monday, September 17th. The user profile dropdown menu is open, and 'VOLUNTEER SCHEDULE' is highlighted with a red circle. Another red circle highlights the 'Senior School Library' shift in the calendar.

STEP 2:

From the calendar view, click on a shift (in blue writing with a green check mark). If you don't see any writing in the calendar, you haven't signed up for anything yet for that month. On the next page, click on the green button, 'MANAGE MY RESPONSES'.

The screenshot shows the 'Senior School Library' opportunity page. The page features the Southridge logo and the slogan 'Together WE DO GREAT THINGS'. The opportunity title is 'Senior School Library'. A green button labeled 'MANAGE MY RESPONSES' is highlighted with a red circle. The description section shows a photo of students working in a library.

STEP 3:

Un-check green check marks to remove specific shift(s) from your schedule.
