

Trinity Preparatory School, a coeducational school for 845 students in grades 6 through 12 in Winter Park, FL, seeks a dynamic and enthusiastic full-time instructor to teach mathematics (5 sections). This teacher should be able to teach all middle and upper school mathematics courses up to and including Pre-Calculus. Our curriculum spans courses from Math Concepts in 6th grade through AP Statistics, AP Calculus AB/BC, Multivariable Calculus and Linear Algebra. Teachers in the Trinity Prep Mathematics Department implement a balanced program that offers students the best in traditional learning techniques while providing instruction using the TI-Nspire and other technological resources.

Candidates must have the desire and ability to develop meaningful and productive relationships with highly motivated students from diverse backgrounds. This teacher should plan to be an integral component of the students' lives, in and out of the classroom, and to collaborate with colleagues on grade-level teams and as a member of the Mathematics Department.

Qualified candidates will have a bachelor's degree (or higher) in mathematics or mathematics education. Trinity Prep has a one-to-one laptop program, and students use technology in a variety of ways in every discipline. Using our learning management system Canvas and participating in the advisory program are required professional standards. In addition to teaching and advising, Trinity faculty lead a significant out-of-the-classroom activities like coaching a sport or a competitive academic team.
