

Supporting your child through SATs and exam times

As we start to move towards exam season, Young Minds have launched advice for parents about supporting their children.

Tips include:

- Encourage your child to take revision breaks and find a balance between studying and doing things they find enjoyable and relaxing.
- Make sure they are eating and drinking at regular intervals.
- Reassure them – reinforce that you are and will be proud of them no matter what happens.
- Remain positive and hopeful!
- Let them know their feelings are valid and normal, but also offer support and solutions where possible.
- Anxiety is often worst at night and this means it is useful to encourage good bedtime routine.

Running late?

If you are running late to collect your child at the end of the day and can't get through on the phone, please e-mail d.clack@lhspa.org.uk. Thank you.

\$&@#*?!!!

It has been noticed that some parents are not curbing their language on school premises. It is not acceptable to use foul language in front of children. Please be respectful of our children and other parents and do not use bad language on school premises. Thank you for your consideration.

Becoming a Cashless School

A reminder that **Breakfast club** can only be paid for by pre-purchasing a 'card' on the SchoolMoney website:

<https://login.eduspot.co.uk/public/portal/parent/?app=schoolmoney> The card is valid for 5 sessions and these do not have to be taken all in one week. You can purchase as many cards as you like in one go.

After the Easter holiday, Breakfast Club will be a COMPLETELY CASHLESS SYSTEM. The office staff are always available to help you with your logon details and will be able to 'show you the ropes' on Parent Interview day. Thank you all for your co-operation.
