

LEGAL AID
Health Care Outreach Program

We're here to HELP

Apply for free or low cost health care coverage today!

We assist people to apply for:

1. MinnesotaCare
2. GAMC (General Assistance Medical Care)
3. MA (Medical Assistance)

St. Cloud Area Legal Services helps families decide whether these programs are right for them. If a family decides to apply for coverage, Legal Services staff helps them with the process, submits the application on their behalf and works through the entire process with them.

Albany Area Schools wants all our students in the district to be able to have basic and necessary health care. If your family has no insurance, you can use our Health Office as a beginning point or you can contact St. Cloud Area Legal Services directly.
