

Tentative Agreement
KEA/Kittitas Board of Directors

Both Parties tentatively agree to the following for the 2018-2019 school year.

Negotiated salary schedule with a beginning base of 41,817 and the ending cell at 78,817.

In addition the certificated staff will receive 3.5% to this salary schedule, which was considered the tri-day compensation and will be included in the teacher's base contact, not a separate supplemental contract.

For co-curricular positions for the 2018-2019 school year only the 3.5% will not be included in the percent or index factor from the base.
