Legacy Gala 2019 - "Together We Can"

Legacy Gala, which is the premier fundraising event for Cathedral Prep, Villa Maria Academy and Mother Teresa Academy, was held on March 30, 2019 at the Bayfront Convention Center. This

year's Legacy Gala lived up to its theme, "*Together We Can*," with over 500 guests in attendance and over \$408,000 raised! Thank you to all of our guests for making the Gala so successful.

The night was a first-class affair. Cathedral Prep students were dressed in tuxedos greeting the guests as well as helping throughout the silent auction. The Villa girls looked classy and stunning in their black cocktail dresses while also helping throughout the evening. The guests also got a special treat this year from Mother Teresa Academy students who sang "The Summons" before the inductions began. The representation at the Gala of the student body provides an opportunity for guests to meet current students and bond over the mission of Prep, Villa, and MTA.

Many thanks to the countless people who made the 2019 Legacy Gala such a tremendous success! Please mark your calendar for March 28, 2020, the date for next year's Gala, and stay tuned for details for another exciting Legacy Gala!
