

Summer Band Camp
Instructor: Aaron Roberts
Ph. 601-1641

The Summer Band camp is open to those students going in to grades 5-9 that play, or want to play, woodwind, brass, or percussion instruments.

The camp is designed to be a fun and educational way to keep the students' musical skills fresh for the summer. More advanced students will begin to learn to play full band arrangements while at the same time developing the essential skills needed to move to the next grade level.

Special care will be taken not to use the same music book used during the regular school year. This will eliminate boredom when the school year starts.

The camp is an excellent chance for students to try a new instrument.

Summer Orchestra Camp
Instructor: Richele Sitton
Ph. 281-5512

The Summer Orchestra camp is open to those students going in to grades 5-9 who play, or want to play a string instrument. Beginners will learn the basics of the instrument they choose while intermediate and advanced players will learn to play orchestral arrangements. This material will not be a repeat of what the students learn in the school setting but rather will enhance that material. Intermediate and Advanced students should rent an instrument through their school before class begins.

Beginners should try to rent through their school, but if unable, Ms. Sitton will arrange for an instrument to be rented through the Lincoln Center. The camp is an excellent chance for students to try a new instrument.
