Members Present: Beth Grubelle, Erin Peterson, Greg Spanier, Mary Waite, Nate Guetter, Mary Swanson, Brian Michalski, Jan Clements, Alison Ley, Jennifer Bohnsack

Start Time	Time Allocated	Person Submitting	Topic	Details:	Discussion Notes:
7:00	10 mins	Mary	Goals of Tech Committee	See slide in Files on Teams-> District Tech Meeting April	Discussion on changes and adjustments were made to the slide.
7:10	10 mins	Greg	Student Survey Results Next Steps	Student Results What is the committee recommendation for moving forward on devices?	Student results in 6-12 voted 51% one-to-one, 30% BYOD, and 20% cart People asked why we didn't ask labs-carts have been a struggle So many items are moved to single users device, this is why carts are more difficult The curriculum in driving more use of devices in the classroom For going one-to-one there is a three year cycle- Year 1 Professional Development, Year 2 Teacher Devices Deployed, Year 3 Student Devices Technology professional development is the next step with the focus on looking at a plan for devices and student use as a goal for the end next year.
7:20	15 mins	Greg/Mary/Brian	E-Learning and Technology Training Needs	June 3rd and 4th Training Microsoft Teams Device Training Back to School Training	June 3rd 1 hour of Microsoft Training and 1 hour of Flexible Learning June 4th new curriculum training in relation to technology Back-to-school-> put ideas of training in TEAM
