Information for Math & Science

This is an intensive program of study for students seeking an innovative and exciting experience in Science and Math. While remediation is an option, careful consideration should be given to student motivation and willingness to engage in the rigor and pacing that will be part of the summer courses. Teachers have been selected for their enthusiasm and excellence.

Who:

Students need to have completed 8th grade in order to enroll in Summer Science and Math classes.

Benefits:

Earn 1.0 Science or Math Credit in 4-5 weeks. Earn Make-up credit, accelerate coursework for honors and scholarship opportunities.

Cost:

*\$10 – Davis District Students
\$75 – Charter School Students*

Students who miss more than 4 days will not receive any credit.
