## Introduction

School for seniors does not officially end until the Commencement Exercises conclude on June 17. The final days of seniors' secondary education will be busy, interesting and important, and at the same time will provide the opportunity to participate in many exciting events. Seniors will be completing course work, taking AP exams, preparing for finals, etc. The importance of all of this suggests a need for summarizing vital responsibilities and activities.

---

## Requirements for Participating in Commencement Exercises

Satisfactorily *completing all Northshore School District and State of Washington graduation requirements and participating in the commencement rehearsal* are prerequisites for participation in the Commencement Ceremony. *Additionally, students must clear all fines and obligations.* A few days before the final day of classes, seniors' teachers are charged with the responsibility of inspecting and assessing the damage to equipment, supplies, and/or books and adding those items to the fine list, if necessary. **Please check at home and return all books, parking hangers, equipment and property that belong to the Northshore School District to the staff member who checked it out to the student.**

---

## Commencement Expectations and Responsibilities

Student, parent, and guardian cooperation in making this year's Commencement Ceremony a successful endeavor is expected and appreciated. The administration, faculty, and classified staff have given the Commencement Ceremony for the Class of 2019 considerable thought and planning. The wish for our seniors' final appearance as a Woodinville High School Falcon is an event that will leave students, parents, grandparents, relatives, and friends proud.

Continuing the WHS tradition of excellence and pride, we are focused on making the ceremony a memorable and dignified event. We are asking that all seniors, parents, guardians and guests join in this focus. The ceremony itself is honorable and one of "pomp and circumstance". It is the expectation of the Northshore School District that all students will follow school rules before, during, and after the Commencement Ceremony. Graduates will be expected to behave appropriately and with respect throughout the ceremony. Please assist us by making

sure any items that may take away from the ceremony (e.g., silly string, firecrackers, beach balls, noisemakers, confetti, etc.) are not brought to the ceremony. Angel Of The Winds Arena staff will check students, parents, and guardians for these items, other inflatables, or anything on their person that could cause a disruption to the ceremony upon arrival at the Arena.

The moment when a student's name is read is a milestone that *will only happen once in a person's lifetime* – the culmination of 13 years of schooling. **This moment is of significant importance to each graduate's parents or guardians and guests.** In an effort to provide a respectful moment for each of our graduates and their families, **we are asking that you refrain from excessive celebrating when student names are called so everyone has the opportunity to be proud and to hear their senior's name called.** The celebration portion of the ceremony will take place following the traditional "turning of the tassel" at the completion of the formal ceremony. Then let's cheer in unity and support of our 2019 graduates with Falcon spirit and pride!

---

## Policy on Substance Use

Any student who is found to have been using alcohol or other drugs at senior end-of-the-year events, extra-curricular activities, or on graduation day will not be allowed to participate in the events and/or the Commencement Ceremony.

---

## Commencement Tickets

Additional tickets are available for \$5.00 each. Fines and fees must be cleared or paid to receive complimentary tickets or purchase additional tickets. There is no limit on the number of extra tickets that can be purchased. ## Graduation Regalia

### Graduation attire:

- ❖ A GREEN cap and gown along with a tassel.
- ❖ Recommended clothing includes dress shirts, ties, dresses, skirts, dress pants, and blouses. Dresses worn under the gown should not show at the gown's neckline or below the hemline of the gown. To avoid tripping, long dresses should not be worn.
- ❖ Seniors should not wear jeans or tennis shoes.
- ❖ Gold NHS honor cord and one other WHS pre-approved cord from a nationally recognized club are allowed.
- ❖ WHS class medallion (ordered by students from Jostens) will be distributed to seniors at Angel Of The Winds Arena.

- ❖ Tape, signs, flowers, and/or other decorations are NOT permitted on the cap or gown.

### Care of gown:

- ❖ Place the gown on a hanger and allow it to hang until Commencement day (this permits wrinkles to straighten out and should eliminate the need for pressing). The gown (and cap/tassel) must be brought to WHS June 17 at 4:00 p.m. on a hanger marked with the senior's name. An inexpensive hanger is recommended. Seniors *do not have time to retrieve the hanger or other personal items after the ceremony concludes.*

Seniors must NOT bring personal items such as backpacks, purses, make-up bags, phones, cameras, extra clothes, snacks, leis, and/or other non-allowed adornments, etc. on the bus or to the ceremony. Seniors *do not have access to the tunnels or time to retrieve any items after the recessional. Personal items, valuables, phones, and/or items a senior may want after the ceremony or at the Grad Night Event should be kept by parents/guardians and provided to their senior when they reunite upon conclusion of the ceremony.* (Please note complimentary feminine products will be available for students in need.) *Every Senior and parent must read...*

May 2019

Dear Parent(s)/Guardian(s) of a Graduating Senior:

As June and graduation activities approach, it is time to review a few important details regarding the Northshore School District graduation/diploma requirements and expected student behavior.

School Board Policy 2410 and district procedures set the District's standard for participation in high school graduation ceremonies. Seniors earning a high school diploma and participating in commencement will:

- Earn 24 credits in required areas of study
- Successfully complete the High School and Beyond Plan
- Satisfy the Washington State History and Government requirement
- Meet standard on the state high school English language arts and math assessments or a state-approved alternative assessment

Eligibility for the commencement ceremony and earning a high school diploma are treated as separate opportunities. Students who have not met standard on the State high school assessments by commencement must have made a good faith effort to pass these requirements through spring retakes and/or an approved Assessment Graduation Alternative. Students who are concerned about their eligibility for the commencement ceremony and/or completing the necessary diploma requirements should contact their counselors.

Students who are denied attendance through disciplinary actions, including suspension or expulsion, are denied the opportunity to participate in and attend school activities during the time the sanctions are in place. This denial of participation and/or attendance includes such things as attending classes, Senior Breakfast, Senior Prom, and Commencement exercises.

Included with this letter is specific information about the timeline for graduating seniors as it relates to your respective high school. Information concerning student behavior and expectations for the commencement ceremony is also included for your review. With your understanding of these commencement and diploma policies and procedures, we will all be able to enjoy the graduation activities and ceremonies this June.

Sincerely,

*Becky Anderson*

Becky Anderson  
Assistant Superintendent, East Region
