

2019 AP Exam Schedule

Please note: Students taking **morning AP exams must arrive by 7:30 am** and report directly to the assigned testing location. It is the student's responsibility to secure their own transportation to UHS. Once testing has started, no student will be admitted into the testing room. Likewise, students taking afternoon AP exams are responsible for securing their own transportation home. Most exams are approximately 3 ½ hours. Testing room locations will be posted the week prior to AP exams.
