

AP Reminders 2019

Exam Cancellation:

- Students must submit an exam cancellation request through Total Registration website. Go to www.TotalRegistration.net/AP/394955
- Students must also complete a cancellation form available in the Counseling Center to receive the partial refund in mid-June.

Exam Day:

- Students are required to arrive by 7:30 am for morning AP exams.
- Students are responsible for providing their own transportation to school for AM exams and from school after PM exams.
- Once testing has begun, no student will be admitted to a testing room.
- Most exams are approximately 3 ½ hours.
- Testing room locations will be posted the week prior to AP exams.

AP Exam Rules 2019:

- **Food and drink are not permitted during the exam.**
 - At the designated ten-minute break between sections of the exam, students will be permitted to have a snack and drink outside of the exam room. Students who elect to bring a snack and drink will have it stored in a container outside of the exam room until the designated break. Students should label their snack and drink.
- **Backpacks are not permitted in the testing room.** Due to limited room space, students should leave backpacks in their locker or if they do not fit, students can drop off their backpacks in the Counseling Center before reporting to the exam room on the designated test day.

Students are not permitted to access their backpacks until the exam is over.

- **Cell phones and smartwatches are prohibited. Do not bring cell phones or smartwatches to the exam room.**
- **Mechanical pencils are not permitted. Students should bring #2 pencils and black or dark blue ink pens.**
- Morning exam students will go to the cafeteria following their exam. Afternoon exam students will attend 1st lunch prior to their exam.
- Only approved calculators permitted for the following exams, please bring your own.
 - Biology four function (with square root), scientific, or graphing calculator.
 - Calculus (only graphing calculator)
 - Statistics (scientific or graphing calculator)
 - Chemistry (scientific, graphing, or four function calculator)
 - Physics (scientific, graphing, or four function calculator)
- Students are responsible for reading the AP Bulletin provided in their AP class and can be accessed at <https://apcentral.collegeboard.org/pdf/ap-student-parent-bulletin-2018-19.pdf>
