# ***Important Information Concerning Graduation***

There are many opportunities ahead to have fun and celebrate your graduation from Davis High School. With that said, you need to know that the Davis High School Graduation Ceremony to celebrate your accomplishments is very formal. It includes all the dignity, pomp and ceremony of a traditional graduation ceremony. Your participation in these commencement exercises is not mandatory for you to receive your Davis High School Diploma. ***Therefore, should you choose to participate in the Davis High School Graduation Exercises, there are a few requirements and stipulations that we insist on. They are:***

- *All participants will have fulfilled the qualifying academic and citizenship requirements in order to “walk” (participate in the commencement exercises).*
- *Graduates must wear a **pressed** cap and gown.*
- *Senior men must wear a dress shirt and tie, long slacks, and dress shoes*
- *Senior women must be in best dress, with dress shoes (**no flip-flops**)*
- *High Honor and Honor cords are the **ONLY** additional accessories that are allowed to be worn with the traditional gown. Additional decoration will be removed before entrance.*
- ***Please** no leis, corsages, medals, ethnic traditional dress, or uniforms.*
- *Graduates will be expected to be courteous and dignified during the processional, during the conferring of diplomas, and during the recessional.*
- *We expect that your parents, family members, and friends who may wish to attend will be respectful of all of the graduates and **refrain from using noise-makers, applause, or cheering which would prohibit all of the graduates’ names from being easily heard by the audience.** Violators will be “ushered” out of the ceremonies.*
- *Each graduate will receive his or her ticket along with their cap and gown.*
- *Plan to take photos **before** the graduation ceremony. After the commencement exercises you will return your **RENTED** gown to Jostens before receiving your diploma. For your convenience, we will have a photographer to take your picture as you receive your diploma. You will receive info from Bell’s Photography after the graduation day.*
- *Your personal diploma will be available to pick up immediately following the ceremonies from the tables outside the tunnel in which you exit. Lines are arranged in alphabetical order according to your last name.*
- *For your convenience in planning post-ceremony activities, you will be involved in the graduation ceremony from 7:45-11:30am (**Remember to allow for congested traffic to and from Weber State University**).*
